Together Carlos R. Evans, Rosemarie Evans, Cecil Murphy, 2019-06-25 A true story of hope and courage in the face of astonishing challenges During his fourth deployment US Marine Corps Sergeant Carlos Evans stepped on an IED and the loss of both legs and his left hand was just the beginning of the struggle for his life For the next two years he and his wife Rosemarie went through the rehabilitation process together As a nurse and mother of two young children Rosemarie was used to caring for people but the task of taking care of her triple amputee husband brought new challenges every day In addition to his limb loss Carlos faced PTSD and developed an addiction to painkillers He was sure Rosemarie's life would be better without him and that it might have been better if he hadn't survived at all But unlike the majority of marriages put under similar strain Carlos and Rosemarie stayed together With the help of family friends and most importantly a strong faith they've built a solid marriage and discovered a ministry they never expected By the hand of God their story which began in devastation has turned into one that draws in and lifts up more people than either of them would ever have dreamed Not only will disabled veterans and their loved ones find help here Carlos and Rosemarie's captivating journey also speaks to those who long for stronger marriages care for loved ones with disabilities or are facing a new normal in their own lives small or
