

An impressionistic painting of a Venetian canal scene. In the background, a multi-story building with arched windows and balconies stands on the left bank. Several gondolas are visible on the water, some with figures. The water is depicted with vibrant, textured brushstrokes in shades of blue, green, and yellow, reflecting the light. The overall style is characteristic of the Venetian School of painting.

Sex in Imagined Spaces Caitriona Dhuill, 2017-07-05 From Thomas More onwards writers of utopias have constructed alternative models of society as a way of commenting critically on existing social orders In the utopian alternative the sex gender system of the contemporary society may be either reproduced or radically reorganised Reading utopian writing as a dialogue between reality and possibility this study examines the relationship between historical sex gender systems and those envisioned by utopian texts Surveying a broad range of utopian writing from the nineteenth and twentieth centuries including Huxley Zamyatin Wedekind Hauptmann and Charlotte Perkins Gilman this book reveals the variety and complexity of approaches to reorganising gender and locates these reorganisations within contemporary debates on sex and reproduction masculinity and femininity desire taboo and family structure These issues occupy a position of central importance in the dialogue between utopian imagination and anti utopian thought which culminates in the great dystopias of the twentieth century and the postmodern reinvention of utopia

Teaching Literature and Medicine Anne Hunsaker Hawkins, Marilyn Chandler McEntyre, 2016-01-01 Both the actualities and the metaphorical possibilities of illness and medicine abound in literature from the presence of tuberculosis in Franz Kafka's fiction or childbed fever in Mary Shelley's *Frankenstein* to disease in Thomas Mann's *Death in Venice* or in Harold Pinter's *A Kind of Alaska* from the stories of Anton Chekhov and of William Carlos Williams both doctors to the poetry of nurses derived from their contrasting experiences These are just a few examples of the cross pollination between literature and medicine It is no surprise then that courses in literature and medicine flourish in undergraduate curricula medical schools and continuing education programs throughout the United States and Canada This volume in the MLA series *Options for Teaching* presents a variety of approaches to the subject It is intended both for literary scholars and for physicians who teach literature and medicine or who are interested in enriching their courses in either discipline by introducing interdisciplinary dimensions The thirty four essays in *Teaching Literature and Medicine* describe model courses deal with specific texts authors and genres list readings widely taught in

literature and medicine courses discuss the value of texts in both medical education and the practice of medicine and provide bibliographic resources including works in the history of medicine from classical antiquity

The Text and Its Context Nigel Harris, Joanne Sayner, 2008 This Festschrift for Ronald Speirs Professor of German at the University of Birmingham contains twenty four original essays by scholars from Great Britain Germany Austria and Norway Between them they encompass the entire modern period from the later eighteenth century onwards and focus on a wide range of German speaking environments Several essays throw new light on authors to whom Professor Speirs himself has devoted particular attention such as Brecht Thomas Mann Nietzsche and Fontane whilst others discuss writers such as Lenz Bchner Bhlau C F Meyer Keyserling Jahn and Huch Above all however the contributions address the complexities of writing in ideologically diverse contexts including the Third Reich and the former German Democratic Republic This interplay between text and context is the cornerstone which links all the essays as it has consistently informed Ronald Speirs's own work which combines a scrupulous attention to textual detail with an acute awareness of the socio political milieu and philosophical influences that shape creative literature

Thomas Mann in English David Horton, 2013-04-11 Thomas Mann owes his place in world literature to the dissemination of his works through translation Indeed it was the monumental success of the original English translations that earned him the title of the greatest living man of letters during his years in American exile 1938-52 This book provides the first systematic exploration of the English versions illustrating the vicissitudes of literary translation through a principled discussion of a major author The study illuminates the contexts in which the translations were produced before exploring the transformations Mann's work has undergone in the process of transfer An exemplary analysis of selected textual dimensions demonstrates the multiplicity of factors which impinge upon literary translation leading far beyond the traditional preoccupation with issues of equivalence Thomas Mann in English thus fills a gap both in translation studies where Thomas Mann serves as a constant but ill defined point of reference and in literary studies which has focused

increasingly on the author's wider reception **Heinrich von Kleist** ,2023-11-20 The works and biography of Heinrich von Kleist have fascinated authors, artists, and philosophers for centuries and his enduring relevance is evident in the emblematic role he has played for generations. Kleist's prose works remain utterly unique seventy years after Thomas Mann described their singular appeal; his dramas remain disturbingly current four decades after E. L. Doctorow characterized their modernity, and twenty-first century readers need not read far before finding the unresolved questions of the current century in Kleist. *Heinrich von Kleist: Artistic and Aesthetic Legacies* explores examples of Kleist's impact on artistic creations and aesthetic theory spanning over two centuries of seismic metaphysical crises and nightmare scenarios from Europe to Mexico to Japan to manifestations of the American Dream.
