The New Century Book of Facts Carroll Davidson Wright, 1909 Includes music **A History of Modern Wales**
1536-1990 Philip Jenkins, 2014-10-13 Rich in detail but vigorous authoritative and unsentimental A History of Modern Wales is a comprehensive and unromanticised examination of Wales as it was and is It stresses both the long term continuities in Welsh history and also the significant regional differences within the principality *Exorcising Our Demons* Charles Zika, 2003 This collection of fascinating essays explores the relationship between humanism and magic the intersection of religious ritual orthodoxy and power and the links between witchcraft sexuality and savagery in the visual culture of Europe in the fifteenth and sixteenth centuries Interdisciplinarity in International Relations Valerii Kopyika, Anton Filipenko, Oleksii Toporkov, 2025-01-10 This edited collection is a result of the multi year research work of Ukrainian scientists and researchers in the field of interdisciplinarity which provides a unique and in depth view of the problems of modern society ranging from political science and economics to culture and art This study is focused on interdisciplinarity as a global trend in research and education The book addresses specific problems using an interdisciplinary approach in the fields of international relations international economic relations international law international business and international communications providing a better understanding of the issues arising in the field and showcasing the potential of the interdisciplinary approach in international relations *Communism, Atheism and the Orthodox Church of Albania* Artan Hoxha, 2022-07-01 This book examines the relations between the Albanian communist regime and the Albanian Autocephalous Orthodox Church AAOC from 1945 when the communists came to power to 1967 when Albania became the only atheistic state in the world and religion of all kinds was completely suppressed Based on extensive archival research the book outlines Orthodox Church life under communism and considers the regime's strategies to control use and subordinate the Church It argues against a simple state oppression versus Church resistance scenario showing that the situation was much more complex with neither the regime nor the Church being monolithic entities It shows how despite the brutality and the constant pressure of the state the Church successfully negotiated with the communist authorities and benefited from engaging with them and how the communist authorities used the Church as a tool of foreign policy especially to strengthen the regime's ties with their East European allies THE NEW CENTURY BOOK OF FACTS, 1911 **Mines of Silver and Gold in the Americas** Peter Bakewell, 2020-02-13 This volume focuses on Latin America since it was mainly there that Europeans or their colonial descendants actually engaged in mining in the 16th 19th centuries elsewhere they traded metals mined by others The principal metals produced and in prodigious quantities were silver in the Spanish colonies and gold mainly in Brazil in the 18th century These articles analyse the volume and pattern of production and the forms of labour found in mining Particular attention is given to the technologies of extraction and refining notably the adoption of the mercury amalgamation process this had a major impact driving down silver production costs because the mercury mines

were a royal monopoly it also handed control to the Spanish crown Editing the Nation's Memory ,2015-07-14 Europe's nation states emerged from a complex of nineteenth century developments in which cultural consciousness raising played a formative role The nineteenth century reflection on Europe's national identities involved a re-inventory and revalorisation of the vernacular cultural past and above all the nation's literary heritage Everywhere in Europe foundational texts including medieval epics and romances ancient laws and chronicles were retrieved from their obscure repositories In new printed editions prepared according to the emerging academic standards of textual scholarship they were appropriated contested and canonised as public symbols of the nation's permanence in history This often neglected but crucially important Europe-wide process of editing the nation's memory involved old states and emerging nations large and small countries metropolitan and peripheral regions it straddled politics the academic professionalization of textual scholarship and of the human sciences and literary taste This collection of studies by outstanding specialists offers a comparative synopsis on exemplary cases from all corners of the European continent *Footsteps of 'Liberty and Revolt'* Mary-Ann Constantine,Dafydd Johnston,2013-04-15 The late eighteenth century was one of the most exciting and unsettling periods in European history with the shock waves of the French Revolution rippling around the world As this collection of essays by leading scholars shows Wales was no exception From political pamphlets to a Denbighshire folk play from bardic poetry to the remodelling of the Welsh landscape itself responses to the revolutionary ferment of ideas took many forms We see how Welsh poets and preachers negotiated complex London-Wales networks of patronage and even more complex issues of national and cultural loyalty and how the landscape itself is reimagined in fiction remodelled à la Rousseau while it rapidly emptied as impoverished farming families emigrated to the New World Drawing on a wealth of vibrant material in both Welsh and English much of it unpublished this collection marks another important contribution to four nations criticism and offers new insights into the tensions and flashpoints of Romantic period Wales **Everyday Religiosity and the Politics of Belonging in Ukraine** Catherine Wanner,2022-11-15 *Everyday Religiosity and the Politics of Belonging in Ukraine* reveals how and why religion has become a pivotal political force in a society struggling to overcome the legacy of its entangled past with Russia and chart a new future If Ukraine is ground zero in the tensions between Russia and the West religion is an arena where the consequences of conflicts between Russia and Ukraine keenly play out Vibrant forms of everyday religiosity pave the way for religion to be weaponized and securitized to advance political agendas in Ukraine and beyond These practices Catherine Wanner argues enable religiosity to be increasingly present in public spaces public institutions and wartime politics in a pluralist society that claims to be secular Based on ethnographic data and interviews conducted since before the Revolution of Dignity and the outbreak of armed combat in 2014 Wanner investigates the conditions that catapulted religiosity religious institutions and religious leaders to the forefront of politics and geopolitics Resurrecting the Shark Susan Ewing,2017-04-04 A prehistoric mystery A fossil so mesmerizing that it boggled the minds of scientists for more than a

century until a motley crew of modern day shark fanatics decided to try to bring the monster predator back to life In 1993 Alaskan artist and paleo fish freak Ray Troll stumbled upon the weirdest fossil he had ever seen a platter sized spiral of tightly wound shark teeth This chance encounter in the basement of the Natural History Museum of Los Angeles County sparked Troll s obsession with Helicoprion a mysterious monster shark from deep time In 2010 tattooed amateur strongman and returning Iraq War veteran Jesse Pruitt was also severely smitten by a Helicoprion fossil in a museum basement in Idaho These two bizarre shark disciples found each other and an unconventional band of collaborators grew serendipitously around them determined to solve the puzzle of the tooth whorl once and for all Helicoprion was a Paleozoic chondrichthyan about the size of a modern great white shark with a circular saw of teeth centered in its lower jaw a feature unseen in the shark world before or since For some ten million years long before the Age of Dinosaurs Helicoprion patrolled the shallow seas around the supercontinent Pangaea as the apex predator of its time Just a few tumultuous years after Pruitt and Troll met imagination passion scientific process and state of the art technology merged into an unstoppable force that reanimated the remarkable creature and made important new discoveries In this groundbreaking book Susan Ewing reveals these revolutionary insights into what Helicoprion looked like and how the tooth whorl functioned pushing this dazzling and awe inspiring beast into the spotlight of modern science

In the Shadow of Vitoria: A History of International Law in Spain (1770-1953) Ignacio de la Rasilla del Moral,2017-11-27 In the Shadow of Vitoria A History of International Law in Spain 1770 1953 offers the first comprehensive treatment of the intellectual evolution of international law in Spain from the late 18th century to the aftermath of the Spanish Civil War Ignacio de la Rasilla del Moral recounts the history of the two renaissances of Francisco de Vitoria and the Spanish Classics of International Law and contextualizes the ideological glorification of the Salamanca School by Franco s international lawyers Historical excursions on the intellectual evolution of international law in the US and the UK complement the neglected history of international law in Spain from the first empire in history on which the sun never set to a diminished and fascistized national Catholicist state
