Sofia Pinto, 2010-11-18 Knowledge Management and Knowledge Engineering is a fascinating field of research these days In the beginning of EKAW the modeling and acquisition of knowledge was the privilege of or rather a burden for a few knowledge engineers familiar with knowledge engineering paradigms and knowledge representation formalisms While the aim has always been to model knowledge declaratively and allow for reusability the knowledge models produced in these early days were typically used in single and very specific applications and rarely changed Moreover these models were typically rather complex and they could be understood only by a few expert knowledge engineers This situation has changed radically in the last few years as clearly indicated by the following trends The creation of even formal knowledge is now becoming more and more collaborative Collaborative ontology engineering tools and social software platforms show the potential to leverage the wisdom of the crowds or at least of the many to lead to broader consensus and thus produce shared models which qualify better for reuse A trend can also be observed towards developing and publishing small but high impact vocabularies e.g. FOAF DublinCore GoodRelations rather than complex and large knowledge models **Motormouth** Zack Spencer, 2012-11-26 Buying a car is a personal choice that has become a more complex decision because of advances in technology and reliability issues that are haunting some car makers Many consumers look to Zack Spencer the host of Driving Television for straightforward no nonsense expert advice In Motormouth you will find out which vehicles are the safest most reliable and best value for your hard earned dollar In an easy to understand format you will get Fuel economy ratings Pros and cons for performance handling comfort and ease of use Standard safety features J D Power Initial Quality and Dependability scores Base warranty information Engine specifications Pricing for base models Reviews of option packages and trim levels Zack's Top Picks for each category Zack provides insider buying tips to help you whether you are buying privately off the internet or making the rounds to different dealers He also advises you on your decision to lease purchase or finance At your fingertips are strategies and lessons learned from people's adventures in car buying some with happy endings and others not so happy From a fuel sipping family friendly hauler to a rubber burning luxury sports car you can rely on Motormouth 2011 edition for the information you need to make a wise purchase decision Go prepared and don't get stuck with a lemon Take Motormouth along for the ride *IPad: The Missing Manual* David Pogue, 2014-11-20 iOS 8 for
