School Library Journal, 2001-07 *Louisiana Register*, 2000 **The Piercing Bible, Revised and Expanded** Elayne Angel, 2021-06-01 Everything you need to know about ear face and body piercings from how to find a skilled professional piercer to best practices for safe healing and optimal results As a piercer nurse and educator I can say without a doubt that this is the most complete book ever written for all people in our industry David A Vidra founder and president of Health Educators Inc

Piercing expert Elayne Angel has performed over 50 000 piercings since the 1980s and has pioneered many placements including tongue piercing and the triangle lorum and other genital piercings Her authoritative and groundbreaking guidebook has been the definitive resource on body piercing since its publication in 2009 Many people are unaware of the elevated risks of getting pierced at a mall kiosk by an untrained tattoo artist or by a novice piercer a skilled professional is necessary for safety and optimal results whether piercing the ear nose or elsewhere This revised and expanded edition is the only comprehensive reference book available to help you navigate the entire piercing process It contains new illustrations diagrams and photos along with fully updated information including The best piercings and placements for various body parts and body types Terminology techniques and tools of the trade Vital sterility sanitation and hygiene information Jewelry designs sizes materials and quality Piercing aftercare and troubleshooting advice for successful healing How to become a piercer piercing throughout history and in modern culture and the future of body piercing The Piercing Bible Revised and Expanded includes essential medical and technical updates as well as refreshed illustrations and jewelry photography to reflect today s standards and best practices for safe professional piercing *Extensive Guide to Safe Body Piercing* Arnold Kuntz Ph D,2020-07-28 A body piercing is just what it sounds like a piercing or puncture made in the body by a needle After a piece of jewelry is inserted in the hole Commonly pierced body parts are the ears nose and the belly button Oral piercings include the lip cheek and tongue When a piercing is healed some people will choose to expand the size of the hole to wear certain types of jewelry including plugs and tunnels Stretching should be done in small increments to decrease the chance of damage to the piercing and scarring *Guide to Safe Body Piercing* Vincent Bronson,2020-12-22 Body piercing a form of body modification is the practice of puncturing or cutting a part of the human body creating an opening in which jewelry may be worn The word piercing can refer to the act or practice of body piercing or to an opening in the body created by this act or practice Although the history of body piercing is obscured by popular misinformation and by a lack of scholarly reference ample evidence exists to document that it has been practiced in various forms by both sexes since ancient times throughout the world Ear piercing and nose piercing have been particularly widespread and are well represented in historical records and among grave goods The oldest mummified remains ever discovered were sporting earrings attesting to the existence of the practice more than 5 000 years ago Nose piercing is documented as far back as 1500 BC Piercings of these types have been documented globally while lip and tongue piercings were historically found in African and American tribal cultures Nipple and genital piercing have also been practiced by various cultures with nipple piercing dating back at least to Ancient Rome while genital piercing is described in Ancient India c 320 to 550 CE The history of navel piercing is less clear The practice of body piercing has waxed and waned in Western culture but it has experienced an increase of popularity since World War II with sites other than the ears gaining subcultural popularity in the 1970s and spreading to mainstream in the 1990s The reasons for piercing or not piercing are varied Some people pierce for religious or spiritual reasons while others

pierce for self expression for aesthetic value for sexual pleasure to conform to their culture or to rebel against it Some forms of piercing remain controversial particularly when applied to youth The display or placement of piercings have been restricted by schools employers and religious groups In spite of the controversy some people have practiced extreme forms of body piercing with Guinness bestowing World Records on individuals with hundreds and even thousands of permanent and temporary piercings Contemporary body piercing practices emphasize the use of safe body piercing materials frequently utilizing specialized tools developed for the purpose Body piercing is an invasive procedure with some risks including allergic reaction infection excessive scarring and unanticipated physical injuries but such precautions as sanitary piercing procedures and careful aftercare are emphasized to minimize the likelihood of encountering serious problems The healing time required for a body piercing may vary widely according to placement from as little as a month for some genital piercings to as much as two full years for the navel Body adornment has only recently become a subject of serious scholarly research by archaeologists who have been hampered in studying body piercing by a sparsity of primary sources Early records rarely discussed the use of piercings or their meaning and while jewelry is common among grave goods the deterioration of the flesh that it once adorned makes it difficult to discern how the jewelry may have been used **Five Days to Be Mine** Mercy

Denton, 2025-05-15 One unforgettable night Evan The moment Mara Cotter stepped into my restaurant I wanted her The attraction was instant and I was drawn to her curves her smile the way she carried herself and had to make her mine One incredible night together wasn't enough She slipped away the next morning but I tracked her down and made her an offer she couldn't refuse five days with me I'll spend every second proving she's mine Mara I'm broke curvy and used to fading into the background Men like Evan Brennon rich confident and undeniably handsome don't fall for women like me But the way he looks at me It's like I'm the only woman in the world I ran once because I didn't believe him He wants another chance to prove our connection wasn't a one time thing and I can't refuse his offer even if it means risking my heart This second installment of the Sinful Delights Series was originally published in 2023 has been lightly edited for interior formatting and added spicy content including a new epilogue No changes to the original plot were made Five Days to Be Mine is a sizzling instant love romance between two adults in their thirties who take a chance on love and find their way to a HEA and includes lots of spicy play *The Art of Body Piercing* Genia Gaffaney, 2013-01-15 To some piercing is just another accessory to others it's the beginning of a new life Dennis Sullivan Certified Body Piercer Spokane Washington Body piercing has become more commonplace in today's society It can be artistic and expressive and a reflection of your personality But there is more to piercing than shoving a needle through the skin In *The Art of Body Piercing* author Genia Gaffaney provides a thorough guide to getting a body piercing and follows the procedure step by step to ensure a successful experience In this guide Gaffaney a certified body piercer since 2000 and business owner since 1993 answers a host of questions related to the body piercing process before during and after How do you select a body piercing shop What is the appropriate age at which to get a

piercing What type of jewelry should you choose How should you clean body jewelry How should you change body jewelry What should you know about genital piercing How can you avoid infection Should you get more than one piercing in the same area With charts and photos The Art of Body Piercing details a host of practical information to let you express yourself through piercings and body jewelry **Living Canvas** Karen Hudson,2009-09-01 Tattoos Given their permanence why is it that we sometimes put more thought into what we'll wear next Saturday night or our next haircut As a tattoo specialist and writer for About.com Karen L Hudson has talked to far too many people who regret their tattoos After years of fielding questions and concerns about tattoo health she realized the need for a book that would cover all the bases of body art from planning and choosing an artist to how to take care of your new piercing or tattoo afterwards Living Canvas is a resource for body art enthusiasts whether you're thinking about getting your first or fifth tattoo planning for your next bod mod or regretting a negative experience Transforming one's body into a living canvas should not be taken lightly and Hudson covers the topics that too many people overlook Encouraging readers to make safe smart body art choices Living Canvas is informative preventative and educational **The Effect of Tongue Piercing on Tongue-to-palate Pressure During Isometric and Swallow Tasks** Maria E. Chisolm,2008
