Too Close To Home:

Too Close to Home Linwood Barclay, 2009-07-28 Critically acclaimed and bestselling author Linwood Barclay brings terror closer than ever before in a stunning thriller in which murder strikes in the place we should feel safest of all In a quiet neighborhood in the house next door a family is brutally murdered for no apparent reason You can't help thinking It could have been us And you start to wonder What if we're next Promise Falls isn't the kind of community where families are shot to death in their own homes But how well did Jim and Ellen Cutter really know their neighbors or the darker secrets of their small town They don't have to look further than their own marriage to know that things aren't always what they seem Now the Cutters and their son Derek must face the unthinkable that a murderer isn't just stalking too close to home but is inside it already

Too Close to Home Kathi Dolan Jones, 2013-11-12 Kate Riley is forty five and very secure in her sometimes chaotic career as a real estate agent She lives and works in Kansas City where she has the support of a colorful group of family and friends She even has a hot new boyfriend Dan Hopkins who just happens to be a sergeant with the Kansas City Police Department's homicide unit Kate's life goes topsy turvy though when she discovers a dead body in one of the houses she just sold The man is Kenneth Thoreson the owner of a group home for mentally challenged adults and the community is shocked Who would want this man dead Dan just happens to be assigned to the case and what at first becomes a real estate concern for Kate soon turns personal As Kate gets to know the people involved in Thoreson's life she makes it her business to find the murderer She thinks she has even though the evidence doesn't quite stack up She can't talk Dan into an arrest so now Kate and her circle of eccentric friends will go it alone and try to catch a killer without the police

Bicycle Citizens Robin M. LeBlanc, 2023-09-01 While the typical Japanese male politician glides through his district in air conditioned taxis the typical female voter trundles along the side streets on a simple bicycle In this first ethnographic study of the politics of the average female citizen in Japan Robin LeBlanc argues that this taxi bicycle contrast reaches deeply into Japanese society To study the relationship between gender and liberal democratic citizenship LeBlanc conducted extensive ethnographic fieldwork in suburban Tokyo among housewives volunteer groups consumer cooperative movements and the members of a committee to reelect a female Diet member who used her own housewife status as the key to victory LeBlanc argues that contrary to popular perception

Japanese housewives are ultimately not without a political world Full of new and stimulating material engagingly written and deft in its weaving of theoretical perspectives with field research this study will not only open up new dialogues between gender theory and broader social science concerns but also provide a superb introduction to politics in Japan as a whole While the typical Japanese male politician glides through his district in air conditioned taxis the typical female voter trundles along the side streets on a simple bicycle In this first ethnographic study of the politics of the average female citizen i

Watching While Black Rebooted! Beretta E. Smith-Shomade, 2023-11-10 Watching While Black Rebooted The Television and Digitality of Black Audiences examines what watching while Black means in an expanded U S televisual landscape In this updated edition media scholars return to television and digital spaces to think anew about what engages and captures Black audiences and users and why it matters Contributors traverse programs and platforms to wrestle with a changing television industry that has exploded and included Black audiences as a new and central target of its visioning The book illuminates history care monetization and affect Within these frames the chapters run the gamut from transmediation regional relevance and superhuman visioning to historical traumas and progress queer possibilities and how televisual programming can make viewers feel Black Mostly the work tackles what the future looks like now for a changing televisual industry Black media makers and Black audiences Chapters rethink such historically significant programs as Roots and Underground such seemingly innocuous programs as Soul Food and such contemporary and culturally complicated programs as Being Mary Jane and Atlanta The book makes a case for the centrality of these programs while always recognizing the racial dynamics that continue to shape Black representation on the small screen Painting a decidedly introspective portrait across forty years of Black television Watching While Black Rebooted sheds much needed light on under examined demographics broadens common audience considerations and gives deference to the preferences of audiences and producers of Black targeted programming So Close to Home James Blish, 1961 *The Aesthetics of Horror Films* Forrest Adam Sopuck, 2021-09-24 This book analyzes the nature and functions of horror films from the vantage of a theoretical reconstruction of George Santayana s account of beauty This neo Santayanan framework forms the conceptual backdrop for a new model of horror s aesthetic enjoyment the nature of which is detailed through the examination of plot cinematic and visual devices distinctive of the popular genre According to this model the audience derives pleasure from the films through confronting the aversive scenarios they communicate and rationalizing a denial of their personal applicability The films then come to embody these acts of self assertion and intellectual overcoming and become objects of pride How horror films can acquire necropolitical functions within the context of abusive systems of power is also clarified These functions which exploit the power of anti tragedy downward social comparison or vicarious emotion work to remediate aggressive ascetic or revolutionary impulses in ways that are not injurious to the status quo This book champions horror as a source of self empowerment and unmitigated beauty but also attests to the potential social harms of the genre **Environmental**

Criminology Martin A. Andresen, 2014-03-14 The field of environmental criminology is a staple theoretical framework in contemporary criminological theory With this book Martin Andresen presents the first comprehensive and sole authored textbook on this influential and compelling school of criminological thought He covers a wide range of topics including the origins of environmental criminology the primary theoretical frameworks such as routine activity theory geometric theory of crime rational choice theory and the pattern theory of crime the practical application of environmental criminology an examination of how theories are operationalized and tested policy implications for the practice of crime prevention As well as these popular topics Andresen also discusses also a number of topics that are at the leading edge of research within environmental criminology This text will be ideal for courses on crime prevention where students are often encouraged to consider policy problems and apply theory to practice This book offers up environmental criminology as a theoretical framework for making sense of complex neighbourhood problems meaning that it will be perfect for modules on geography of crime crime analysis and indeed environmental criminology It would also be a good supplement for courses on criminological theory

Tactical Crime Analysis Derek J. Paulsen, Sean Bair, Dan Helms, 2009-08-19 Research has shown that the majority of crimes are committed by persistent or serial offenders with as little as seven percent of offenders accounting for approximately 60 percent of all crimes By focusing police efforts on these prolific offenders and learning to identify analyze and resolve the crimes they commit the law enforcement community

Scourged Souls Keith N. Corman, 2016-12-29 *Scourged Souls* by Keith N Corman *Scourged Souls* takes place during the American Civil War however it is not about the war itself Instead it takes the reader into the lives and settings of the characters whose lives cross for a brief few days during a horrific battle whether directly or indirectly through relationships It reflects on the innocence of the characters and daily life It also enters into personal reflections and the beliefs and plans of those involved Author Keith N Corman's work will leave readers with a sense that personal lives in previous eras were much like our own now and that war is harsh and leaves scars on those left behind whether in the area of conflict or those back out of harm's way on the home front

[Talk About Books](#) David Peplow, 2016-02-25 Over the last two decades reading groups have become increasingly popular in the UK and the USA More and more people seem to be interested in sharing their reading experiences and hearing other readers discuss their views on books whether this is online through the mass media or in face to face contexts In light of this explosion in popularity of reading groups this ethnographic study focuses on several reading groups based across a variety of settings public libraries public houses and in readers' homes A range of methods are used to investigate the practices of the individual readers and the groups including participant observation interviews and audio recordings of meetings Reading groups are found to be highly ritualized and potentially competitive places in which matters of identity and taste are often at stake The groups studied are conceptualized as communities of practice and the literary interpretations and evaluations offered within each group are shown to be a product of shared norms established by this group

Unravelling Encounters Caitlin

Janzen, Donna Jeffery, Kristin Smith, 2015-04-20 This multidisciplinary book brings together a series of critical engagements regarding the notion of ethical practice As a whole the book explores the question of how the current neo liberal socio political moment and its relationship to the historical legacies of colonialism white settlement and racism inform and shape our practices pedagogies and understanding of encounters in diverse settings The contributors draw largely on the work of Sara Ahmed's *Strange Encounters Embodied Others in Post Coloniality* each chapter taking up a particular encounter and unravelling the elements that created that meeting in its specific time and space Sites of encounters included in this volume range from the classroom to social work practice and from literary to media interactions both within Canada and internationally Paramount to the discussions is a consideration of how relations of power and legacies of oppression shape the self and others and draw boundaries between bodies within an encounter From a social justice perspective *Unravelling Encounters* exposes the political conditions that configure our meetings with one another and inquires into what it means to care to respond and to imagine oneself as an ethical subject

Principles of Geographical Offender Profiling David Canter, Donna Youngs, 2017-03-02 Geographical Offender Profiling GOP is the term that has emerged for the examination of where offences take place and the use of that examination to formulate views on the nature of the offender and where he might be based As such it has become the cornerstone of offender profiling By its nature GOP bridges psychology geography criminology and forensic science and is of academic interest to all those disciplines as well as practical significance to police investigators This book brings together a cross section of the major papers published in the field that lay out the concepts and foundations of this area including some widely quoted but difficult to obtain classic papers with an introduction that puts the papers into an overall context and a concluding extensive bibliography of the publications relevant to this rapidly growing area

Keats and Philosophy Shahidha Bari, 2012-09-10 John Keats remains one of the most familiar and beloved of English poets but has received surprisingly little critical attention in recent years This study is a fresh contribution to Keats criticism and Romantic scholarship positioning Keats as a figure of philosophical interest who warrants renewed attention Exploring Keats's own Romantic accounts of feeling and thinking this study draws a connection between poetry and the phenomenological branches of modern philosophy The study takes Keats's poetic evocation of touching hands wandering feet beating hearts and breathing bodies as a descriptive elaboration of consciousness and a phenomenological account of experience The philosophical terms of analysis adopted here challenge the orthodoxies of Keats scholarship traditionally characterised by the careful historicisation of a limited canon The philosophical framework of analysis enhances the readings put forward while Keats's poems in turn serve to give fuller expression of those ideas themselves Using Keats as a particular case this book also demonstrates the ways in which theory and philosophy supplement literary scholarship
