True Faith Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's salvation process The blood required by God was to be a mankind's blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith

True Faith WOUTER. VAN DER WESTHUIZEN,2025-02-20 In this modern world can the believer still call out to God for help Is there anywhere they can go to find solutions to life's complex challenges And is there such a thing as false hope Christian homes face daily challenges family relationships social and emotional pressures workplace tensions health scares and uncertain futures They must contend with the realities of this world both in decision making and overcoming obstacles So is there an optimal way for believers to live in an uncertain world Is there perhaps a formula available Is faith the answer The answer lies in the question what impresses God most Scripture is clear that faith is the only life saving power from God This means that believers are saved by grace through faith not by their own efforts and then they walk by faith for the rest of their earthly lives This is the way to live trusting God wholly There is a marked difference between the lives of believers walking by faith and those of non believers That difference is a total reliance on God an inner peace a calm throughout the storm and constant worship of the Father they trust From Genesis to Revelation we learn that the best way for believers to live is to put our trust in God When we do Scripture says we will be rewarded But if trusting God is easy then why the reward A reward is given to the believer who lays down their claims to self sufficiency living by faith is easier said than done because it is in the nature of every person to first rely on themselves their decision making and their own abilities Faith in God is a supernatural way of living on earth and it carries a promise of blessings it's no wonder that the book of Romans says the righteous shall live by trusting

God Romans 1 17 Having true faith in God is the only way to live This book gives the reader the opportunity to discover the path to no holds barred faith in a trustworthy Father *Gospel Grounds and Evidences of the Faith of God's Elect* John Owen,1695 **Seeking and Finding God** Dave Hunt,2004-06 **More Than Words** Jason E. Hill,2011-05-27 We live in a world in which there is great confusion about what it means to be a Christian and what it means to have genuine faith Faith is more than belief and being a Christian is more than attending a church service a Bible study or helping out the poor and needy True faith genuine faith in Christ is not something that we need to convince people that we possess Instead true faith is seen through who we are and what we do More Than Words is a book about faith It is not so much a book about what faith is but instead what true faith looks like More Than Words is a practical study of the book of James and provides understanding to what a life truly surrendered to Christ looks like and how it is to be lived More Than Words will encourage and challenge you to examine your hearts and life to see if the faith you claim to have is truly a biblical faith **Is Faith Blind** Michael Mocatta,2025-05-21 Is Faith Blind is a powerful and thought provoking exploration of the relationship between faith reason evidence and truth Far from promoting blind belief this book argues that God calls us to a faith that is tested rooted in Scripture and grounded in reality Drawing from biblical narratives scientific reasoning historical evidence and personal reflection the author invites readers on a journey to discover a faith that sees clearly Each chapter tackles a foundational question Is doubt the opposite of faith Can we prove God s existence Why does God ask us to believe What role do reason and experience play in spiritual belief Whether you are a seeker a skeptic or a believer looking to deepen your understanding Is Faith Blind offers clarity challenge and encouragement It blends theological insight with accessible explanations to help readers develop a faith that is not naive but wise aware and deeply personal Key features include Engaging chapter studies with scriptural references Questions for personal reflection or group discussion Clear explanations of biblical terms and theological concepts Discover a faith that engages both the heart and the mind and invites you to walk in truth not superstition *True Faith* Silas Kanyabigega,2016-11-23 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christ s corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind s salvation process The blood required by God was to be a mankind s blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha

and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we can t find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith True Faith Paul S. Jeon,2012-04-04 It is difficult today to discern much of a difference between Christians and non Christians The person who claims to be a Christian with saving faith seems no different from the one who claims otherwise In this context many are left wondering what true faith is This brief study on Paul s letter to Titus addresses the question of what it means to be a genuine follower of Jesus Christ May this book challenge you to explore afresh the necessity of pursuing good works in view of God s free gift of salvation Finding Your Voice: How to Speak Your Heart's True Faith Jim Dant,2013-05-01 Answers offered by the most religiously conservative among us frequently sound too narrow Questions asked by those outside the faith seem broad and unmoored As thoughtful Christians we often find it difficult to talk about our faith because at one extreme we re met with simplistic truths and at the other extreme complex wonderings In Finding Your Voice Jim Dant offers the thinking Christian a manageable and credible faith language While respecting the evangelical language of his childhood and those who gave it to him Jim addresses and offers fresh language regarding the issues of God Scripture Jesus Salvation the church the world and more He provides a language for the things we believe but are not quite sure how to say Jim takes us to his childhood home and introduces us to the language offered him by his faith community He gives an honest accounting of that faith and with an extreme dose of humanity and trust shares with us how that faith has changed The result is a language that makes sense both in and out of church Whether you agree or disagree with Jim s conclusions you are invited into a conversation and perhaps the discovery of your own voice **Understanding The Truth About Faith** Don Nicely,2025-03-31 Understanding The Truth About Faith If You Want to Increase Your Faith in God The Best Book That Can Help You is None Other Than the Bible This book Understanding The Truth About Faith will make the bible come alive for you when you understand about faith and how to operate in it Today in the final days of mankind we must understand the teachings of the bible because it is considered to be God s love letter for those He loves and if you are one of them you need to know what he is saying to you today Author Don Nicely began writing this five book series on faith over twenty years ago He has written many books since then never quite feeling like he had the subject of faith easy enough for people to understand Since faith is the only thing that pleases God that s right no amount of sacrifice or devotion can replace just having true faith After working on this special work for almost three decades he decided to release it to the public The first book Understanding The Truth About Faith is just that It is a clear well defined book uniting the readers with such an understanding about what it means to live a life of true faith I m talking about having such God pleasing faith that He hears you and answers your prayers The bible itself contains thousands of promises practical wisdom reminders corrections and even history that can help you realize how real and powerful God is Faith is often this grand idea that we believers speak

of and we could all probably sit down and define it in our own words but what truly is true faith What does it look like to be a faithful person And how do we get a faith that actually is powerful enough to move all our mountains or problems out of the way If you have a lot of questions about faith or God then this first book Understanding The Truth About Faith can help you find the answers to them It will not teach you what to believe but rather it will help you learn how to believe and what the bible actually says This is perfect for those who want to discover what faith really is strengthen their faith or renew their faith For those who want to live a faith filled life that is overflowing with the promises of God If you are hungry to have faith in God that can help strengthen your soul and spirit then start by having the eagerness to seek Him As you desire to know your Creator more He will reveal Himself to you The Bible verses James 4 8 says Draw near to God and he will draw near to you This verse and many more will be explained to you and so many more and how to apply them to your life In The Book You Will Learn How To Receive True Faith Can You Actually Have True Faith Without Works How to Activate Your True Faith How To Truly Act On Your Faith How To Put Into Practice Faith In God Can God Increase Our Faith Can You Have Faith and Unbelief at the Same Time What Is The Prayer of Faith And How Do We Use It
