True Life In God Divine Dialogue:

True Life in God Vassula Ryden,2013-05-24 Is there life after death Are we living in the last days Is there a heaven and hell Does everything happen for a reason If God is good why does he allow suffering Following a profound spiritual experience in 1985 Vassula Ryden commenced a dialogue with God that continues to this day All of these conversations have been recorded in hand written journals which are now reproduced as a single printed volume The message that Vassula brings is that God is calling all of humanity to turn our hearts back to Him before a time of justice comes upon us and the world undergoes trials and purifications Jesus is returning but it may not be the way we think *True Life in God* Vassula Ryden,2005 **Summary and Analysis of the Dialogues of Plato** Alfred Day,1870 *Summary and Analysis of the Dialogues of Plato. Hey God, Can We Talk? Sarah Bowling,2021-01-19 A Hands on Guide for Meaningful Conversations with God Hey God Can We Talk is a practical book designed to transform your conversations with God from distant and religious into meaningful and authentic dialogues Deeply rooted in Scripture this book gives hands on tools for interacting with God through the everyday stuff of life Each chapter **Philosophy and Religion in Plato's Dialogues** Andrea Nightingale,2021-05-06 Challenges the idea that Plato is a secular thinker exploring the interaction of philosophy and Greek religion in the dialogues *An Illustrated Commentary on the Gospel According to St. John* Lyman Abbott,1879

Revelation Gerald O'Collins,2016-08-25 Since the late 1980s the theme of God's self revelation has been treated only briefly in Christian theology at times simply ignored and often confused with biblical inspiration *Revelation Towards a Christian Theology of God's Self Revelation* lays out its basic characteristics and begins by distinguishing between revelation in the primary sense a living encounter with God's self disclosure and in the secondary sense statements of faith derived from that encounter or propositional revelation It considers revelation as transforming and informing as being sacramental or mediated through words and deeds as communicated through an endless variety of means and mediators as related to but distinct from biblical inspiration and truth and as reaching those of other faiths or of no faith at all Gerald O Collins skilfully

distinguishes between past or foundational revelation present or dependent revelation and future or eschatological revelation He expounds with ecumenical sensitivity the complex relationship between tradition and scripture O Collins moves into controversial areas by insisting that the divine self revelation takes place only when received by human faith and that outside revelation there is no salvation extra revelationem nulla salus This volume offers a coherent account of God s self revelation which can serve as a basis for all that follows in theology and for dialogue with those who follow other living faiths or none at all O Collins extends and enriches what he has proposed in earlier books and articles about the characteristics of God s self revelation

Amor Amicitiae J. J. McEvoy, 2004 This volume honors the Rev Professor James McEvoy on the occasion of his sixtieth birthday The theory of friendship which has been one of McEvoy s major fields of research and publication used to be at the heart of the philosophical project and indissociable from it For Socrates philosophy was possible only as the pursuit of wisdom virtue and beauty in a community of friends engaged in an erotic quest for the good The present volume wants to make a contribution to the recovery of the friendship theme in its central importance to philosophy It contains eighteen contributions by colleagues and pupils of Professor McEvoy from three different continents who approach the topics of friendship love and charity from a variety of different angles Several contributions are devoted to the theory of friendship in ancient and medieval thought including its Christian appropriation Others analyze friendship in modern and contemporary philosophy while two contributors introduce cross cultural perspectives Hinduism and traditional African thought This volume will help to throw into higher relief the importance of the philosophy of friendship as well as stimulating further discussion on this intriguing topic

Life-study of John Witness

Lee, 2023-09-26 Although the language of the Gospel of John is simple this book is deep and profound In this life study Witness Lee shows that the Bible is a book of life and building and that the Gospel of John also is focused on life and building The Gospel of John reveals that in Christ the Word of God is life that He came that man may have life and that He Himself is life Furthermore this Gospel shows that Christ is the bread of life that He has the water of life that He gives life to man and that He even lives in man as life The Gospel of John also unfolds the divine building In 1 14 we see that Christ in the flesh was the tabernacle for God s habitation among men on earth In 2 19 21 Christ s human body was also the temple of God on earth Through His death His body in the flesh was destroyed and in His resurrection He raised up His mystical body the church to be the enlarged temple of God This is God s building in the universe Furthermore this Gospel reveals that the believers are to be built up to be the Father s house the dwelling place of the Triune God This is adequately and fully disclosed in John 14 According to that chapter all the believers will be built together as God s eternal habitation with many

abodes Thus as the Lord s last prayer in John 17 indicates all His believers must be built up into one The first section of the Gospel of John composed of the first 13 chapters is on the coming of the Lord Jesus to bring God into man and to declare God to man The second section composed of the last eight chapters is on the Lord s going in death and coming back in resurrection to bring man into God and to abide in and with man for God s building

The Jesus Dialogues Brennan R. Hill,2015-03-06 The Jesus Dialogues is a unique book There is no other book that uses this interesting dialogue method to contrast and compare such an extensive number of religions In each chapter Jesus sits down with both women and men religious founders and leaders and talks with them on an equal basis about religious perspectives past and present The book is a thorough overview of Christianity compared and contrasted with eight other religions as well as selected indigenous religions A final chapter deals with the why and how of interfaith dialogue which is so needed in today s diverse and global society This book reflects the author s six decades of study and teaching in the areas of Christianity and world religions It is based on sound scholarship worldwide travel and experience in interfaith dialogue The Jesus Dialogues demonstrates that there is truth and a way to ultimacy in all religions At the same time listening in on these conversations reveals significant differences among religions These dialogues help one realize that Gandhi was right when he said that we must listen to all religions in order to obtain just a glimpse of the divine
