The Power of Divine Eros A. H. Almaas, Karen Johnson, 2013-09-17 Two innovative spiritual teachers show how to use desire and passion, eros, as a gateway to realizing our fullest potential. What do desire and passion have to do with our spiritual journey? According to A. H. Almaas and Karen Johnson, they are an essential part of it. Conventional wisdom cautions that desire and passion are opposed to the spiritual path; that engaging in desire will take you more into the world into egoic life. And for most people that is exactly what happens. We naturally tend to experience wanting in a self-centered way. The Power of Divine Eros challenges the view that the divine and the erotic are separate. When we open to the energy, aliveness, spontaneity, and zest of erotic love, we will find it inseparable from the realm of the holy and sacred. When this is understood, desire and passion become a gateway to wholeness and to realizing our full potential. Through guided exercises, the authors reveal how our relationships become opportunities on the spiritual journey to express ourselves authentically, to relate with openness, and to discover dynamic inner realms with another person. Through embodying the energy of eros, each of us can learn to be fully real and alive in all of our interactions.

"The" Academy, 1884 The Alchemy of Freedom A. H. Almaas, 2017-03-28 Well-known spiritual teacher A. H. Almaas uses the metaphor of the mysterious philosopher's stone to discuss a tremendous liberating power that leads to endless enlightenment. For millennia, alchemists sought the philosopher's stone, the miracle substance believed to be the key to all the secrets of existence. The quest was fueled by some of the prime questions of human existence: What am I? Why am I here? How has this world come to be? A. H. Almaas shows that the tremendous liberating power of the mysterious philosopher's stone is closer to us than we realize. In fact, it is the true nature of all reality in all times and all places without being limited to being anything in particular. Through the philosopher's stone, real transformation can happen; our consciousness can become free, and we can open to all the possibilities of reality. Almaas discusses the factors that are involved in igniting the catalytic property of the philosopher's stone and then begins to unpack the properties of true nature when it is free of constraints. Finally, we are left with the revelation that true nature is endlessly knowable, and yet nothing we can know or say about it exhausts its mystery and power. The result is a new understanding of what liberation and practice are, and a view of what it's like when seeking ceases and life becomes a process of continual discovery. We begin to appreciate that the freedom of reality expressed in the complete and fulfilled life of all human beings

seek and few find is actually the simplicity of the ordinary *Runaway Realization* A. H. Almaas, 2014-10-21 Spiritual teacher A H Almaas presents the highest level and most profound teachings of the Diamond Approach on the true nature of reality and the path to enlightenment The teaching in this book is off the map because reality itself cannot be captured in a map In fact reality is far more alive far more mysterious than anything we can conceive of It is always revealing itself by knowing itself and knowing reality and living it becomes the fulfillment of our life Here A H Almaas the originator of the Diamond Approach presents a new paradigm for understanding reality the view of totality He reveals that our life can become an endless revelation of reality an adventure with neither beginning nor end A H Almaas has been developing and teaching the Diamond Approach a spiritual path of self realization and maturity based on an original synthesis of modern discoveries in the field of psychology and a new paradigm about spiritual nature for more than thirty years The Diamond Approach aims to realize the truth at progressively deeper levels until one reaches the ultimate Truth the Absolute and to become integrated into that truth so that we are a living presence and embodiment of it The teachings of this path have been unfolding over time and Runaway Realization presents for the first time in print the highest level of teachings in the Diamond Approach in the most profound work by Almaas so far Almaas offers a detailed look at the true nature of reality and the nature of enlightenment He also talks about practice what it is and what it isn't and how it relates to the process of realization He looks at what it is to be a human being and what our role is in the totality of the universe The material includes a discussion of the nature of space and time as well as a view of more and more subtle levels of realization The Point of Existence A. H. Almaas, 2000-09-05 The founder of the Diamond Approach to Self Realization examines narcissism through a spiritual lens presenting it as our greatest barrier to understanding our truest self In this book the author explores the underlying spiritual understanding of narcissism He presents a detailed map of the steps involved in working through barriers that prevent us from recognizing the most essential nature of our true identity Almaas is one of the most significant voices for a new and remarkably integrated spiritual vision His work connects the personal the universal the psychological and the spiritual not as pieces put together but as the inseparable mandala of the sacred that we are I respect his work to the highest degree and commend it to anyone interested in living the life of the spirit Jack Kornfield Ph D author of *After the Ecstasy the Laundry* Saturday Review ,1857 **The Saturday Review of Politics, Literature, Science and Art** ,1857 **Truth** ,1882 The Athenaeum ,1874 **The Athenæum** ,1841 The Spectator ,1893 "The" Athenaeum James-Silk Buckingham, 1841 **The New Jerusalem Messenger** ,1873 Catalogue of Printed Books British Museum.
