True North H. B. Kravets, 2009-04-23 *True North* is a love story that began long before the World War II mission when David's B 17 bomber takes a direct hit He parachutes into Germany is captured by the enemy and starts a journey into hell After a terrifying

escape and months in military hospitals he returns home and struggles with the physical and emotional scars inflicted by the horrors of combat and his experiences as a prisoner of war Haunted by nightmares and flashbacks of the war David struggles to navigate through civilian life He marries his childhood sweetheart With guile and manipulation he rises to the top of a major corporation However a terrible wartime secret lies locked within him that only a psychiatrist with his own unsolvable problems can unlock David has an affair with a beautiful seductress and finds himself impossibly in love with two women His arrogance and infidelity lead him into a downward spiral He loses his family his mistress and the career he fought so hard to build Serendipitously he is reunited with an unusual acquaintance who offers him a job and a chance for redemption but David has to sell his soul to the devil in order to succeed How David resolves the casualties he left behind in his escape from Germany his drive for success his infidelity and how he opens the secret that tortures him is the climax of the story True North Catherine Deveny, 2022-03-31 An uplifting heartfelt memoir about surviving life's upheavals and how to live authentically A bombshell of honesty and hope This book has the power to heal hearts Clare Bowditch Catherine Deveny is a blazing light in a world that is often grim She brings her immense generosity of spirit to this beautiful memoir and we are blessed to have her Clementine Ford When writer Catherine Deveny faced the end of a seventeen year relationship with the father of her children she had no idea what lay on the other side of the months of tumult she just knew she had to create space for a new life But this wasn't the first time Deveny had taken a plunge into the unknown or let go of conventional assumptions In True North she shares how she emerged from an oppressive Catholic upbringing in working class Reservoir found her tribe in Fitzroy's sharehouses in the 80s and learnt to live life on her own terms as she navigated the highs and lows of a creative life family legacies and intimate relationships This is the kind of story that stays with you long after you turn the final page Michael Lallo The Age Breathtaking Chrissie Swan **True North** Mark Liederbach, Seth Bible, 2012-11-01 Because the Bible describes the second person of the Trinity as the key agent in creation redemption and the restoration of all things it is imperative that Christians seeking conformity to the image of Christ root their understanding of and motivation for creation care in a theology and ethic that seeks to maximize the worship of Christ throughout all creation Discussions related to creation care and environmental ethics have become both politically charged and highly controversial Unfortunately while a growing number of Christian books address various aspects of creation care that either support or deny the reality of global warming or perhaps advocate various policies and practices there is very little work available seeking to focus on clarify and establish the biblical and theological foundations upon which Christians ought to care for God's world Even more specifically there seems to be almost a complete dearth of accessible works in theology or ethics that offers a Christology of creation care Thus the purpose of True North is to explore the person and work of Christ in creation redemption and the restoration of all things so as to establish the idea that caring for God's creation depends not upon prognostications for or against a global warming crisis Rather the motivation for Christians to care for creation flows

from the created purposes established in the very fabric of the universe faithful discipleship in Christ and the inherent goal to return to God all the glory he is due from every corner and aspect of creation
