Trust Blind Vows English Edition:

Vow Wendy Plump, 2013-02-12 Monogamy is one of the most important vows we make in our marriages Yet it is a rare spouse who does not face some level of temptation through the allure of other people Sometimes the issues are resolved before anyone is hurt But sometimes as with Wendy Plump s marriage the fallout is confronted head on when not one but both spouses cheat In early 2005 Wendy Plump found out about her husband s second family They lived just a mile from the home she shared with her sons in the farmlands of Pennsylvania But the discovery followed betrayals of her own earlier in the marriage Most discussions of infidelity focus on one side and therefore provide a skewed perspective In this unique 360 degree look Plump delivers a searing confessional story about the challenges of marriage that reads like a conversation between old friends From the view of both betrayer and betrayed Plump looks at the ordeal of finding out the recovery the ebb and flow of passion the daily play of personality that can lead to fulfillment or disillusionment family and friends and therapists illicit attraction the lovers the lies the alibis even the undeniable pleasures affairs gave her as a younger woman As she explores the wreckage of her own marriage Plump offers a beautifully told narrative of hope recovery and wonder for the pull of couplehood that reawakens a belief in the value of fidelity and commitment NLT Life Application Study Bible, Third Edition (Genuine Leather, Black, Indexed, Red Letter) Tyndale, 2021-05-04 Winner of the 2020 Christian Book Award for Bible of the Year Trusted Treasured by Millions of Readers over 30 years the Life Application Study Bible Is Today s 1 Selling Study Bible Now it has been thoroughly updated and expanded offering even more relevant insights for understanding and applying God s Word to everyday life in today s world Discover How You Can Apply the Bible to Your Life Today With a fresh two color interior design and meaningfully updated study notes and features this Bible will help you understand God s Word better than ever It answers the real life questions that you may have and provides you practical yet powerful ways to apply the Bible to your life every day Study the stories and teachings of the Bible with verse by verse commentary Gain wisdom from people in the Bible by exploring their accomplishments and learning from their mistakes Survey the big picture of each book through overviews vital statistics outlines and timelines and grasp difficult concepts using in text maps charts and diagrams all to help you do life God s way every day Features Enhanced updated and with new content added throughout Now more than 10 000 Life Application notes and features Over 100 Life Application profiles of key Bible people Introductions and overviews for each book of the Bible More than 500 maps charts placed for quick reference Dictionary concordance Extensive side column cross reference system to facilitate deeper study Life Application index to notes charts maps and profiles Refreshed design with a second color for visual clarity 16 pages of full color maps Quality Smyth sewn binding durable made for frequent use and lays flat when open Presentation page Single column format Christian Worker s Resource a special supplement to enhance the reader s ministry effectiveness Full text of the Holy Bible New Living Translation NLT combining the latest biblical scholarship with clear natural English The words of Jesus are in red
