dasa,2018-06-28 It is said that truth is stranger than fiction but this opinion is due only to incomplete knowledge Relative to the eternal spiritual reality nothing is stranger than a world whose people are uneducated in conclusive spiritual truth Lacking the qualifications required for reception of perfect knowledge most people of this world are totally oblivious to the nature of spiritual subject matters much less have they a clue of the identity of God Spiritual understanding is lacking because the object of understanding is unknown Indeed most people of this illusory world would not know the Supreme Spiritual Person even if He were standing before them It is instructed by the Vedic authority that the first qualification for reception of perfect spiritual truth and knowledge is simply to admit our bewildered condition Because it is only the Absolute Truth who can save this world from certain destruction this book was written to give people a chance to see what they do not know References from the Vedic scriptures are provided as proof but the real fool proof approach to Absolute Spiritual Truth is to receive the knowledge directly from the Vedas It is due to divine design that the Eternal Spiritual Reality has until now until this dawning age of enlightenment remained unknown to the conditioned residents of this criminal world As instructed in the Aquarian Gospel of Jesus the Christ There are many mysteries in Christ consciousness but there are no mysteries in God consciousness Full of Grace and Truth, vol 2 Watchman Nee,1981-05-01 This book contains eight sermons preached by the great Chinese pastor writer Watchman Nee gospel messages delivered in his early years of his ministry The

*Truth Kills* Lacey Dancer,2019-08-19 Felicity Ramsey felt the unknown hunter closing in She didn't know who he was whose orders he followed She didn't know if that man was the mastermind of the hunt for a dead woman that neither man had any reason to believe still lived The computer programs she had designed offered no answers Only her lethally honed instincts told her that all that she had created was at risk Skye Farm and Skye Sea existed in the sunlight not in her shadow world They and those who called both home and haven must be protected It was time to go hunting but first she had to deal with the twenty trainees who had come to the Farm for specialized instruction in covert ops tactics and weapons Her classes were expensive and the screening of those who wished to attend was stringent She had no desire to burp baby terrorists One trainee Mia caught her eye The two week course proved that the young woman was worth the extra training Felicity had offered A routine monitoring of outside contacts of the trainees and the mention of a name from the past gave Felicity the lead she

sought to the hunter she sensed The hunter had a name Ace Faulkner The man who gave the orders raised a red flag Chasing a dead woman made no sense What was hiding in the shadows More importantly Who Felicity knew it was time to hunt The safety of Skye Farm and the world she had created was at stake Ace had no leads on the dead woman he sought The assignment made no sense and the man who had given it to him was not someone he respected He was chasing shadows A message was ordered to be sent to Ace in the form of a savage beating of Mia his one time lover Felicity arrived too late to stop the attack but not too late to kill the four man team A sound at the front door Gun drawn she turned ready to protect to kill Ace came in fast his gun ready Give me one reason why I shouldn t kill you where you stand he demanded his eyes on Mia s battered body Four other bodies decorated his living room floor There was blood everywhere Mia needs help He had a choice He could believe she was there to help or she had been a party to the beating The four dead bodies made the first choice the most likely explanation You first He nodded toward her gun Felicity didn t hesitate She tucked the Beretta in the holster at the small of her back If she had to she could kill him later if necessary **Truth Must prevail 1, the mystery of godliness and the controversy of Jesus** Alphonse Sime Namanga,2018-05-31 God is the savior who will not only release a force or create a means nor simply substitute to save but will identify with in other to liberate How he substitutes and identifies with his creatures is what remains mysterious to most of the world It is easier to think of God having a voice but a shape yet scripture reveals that to conceive of God with a form is not absurd For God cannot remain invisible and demonstrate his love and goodness with the compassion of both He must be personified thus the mystery of godliness In Abrahamic religions in the prophesies of the Jewish Old Covenant Jesus is called the Desire of the nations the One thing that all humanity needs and that is most precious This is an impossible truth except he is more than a mere human John qualifies him as form or shape of God and Paul says he is the Express Image of the Invisible God Can we continue to contend against this Find out and discover the infallible proofs in this lecture *The Complete Works of the Swami Vivekananda* Swami Vivekananda,1924
