*TMS 2015 144th Annual Meeting and Exhibition* The Minerals, Metals & Materials Society (TMS), 2015-02-26 The TMS 2015 Annual Meeting Supplemental Proceedings is a collection of papers from the TMS 2015 Annual Meeting the unedited papers have not necessarily been reviewed by the symposium organizers and are presented as is The opinions and statements expressed within the papers are those of the individual authors only and no confirmations or endorsements are intended or implied **TMS 2015 144th Annual Meeting & Exhibition, Annual Meeting Supplemental Proceedings** The Minerals, Metals & Materials Society (TMS), 2016-12-20 *ECRM2015-Proceedings of the 14th European Conference on Research Methods 2015* Dr Vincent Cassar, Dr Frank Bezzina, 2015-06-01 Complete proceedings of the 14th European Conference on Research Methodology for Business and Management Studies Valletta Malta Published by Academic Conferences and Publishing International *University on the Border* Lis Lange, Vasu Reddy, Siseko H. Kumalo, 2021-08-27 The volume explores and thinks through the process of decolonising the South African higher education system by examining MustFall The text offers theoretical insights from a historical contemporary and multidisciplinary lens while examining the embedded meanings of the university as an institution idea and set of practices to show the shifts and changes that were inaugurated by MustFall along with the historicities that define the university both locally and globally The retro and prospective insights presented in the book surface the crisis of authority that places the university in a state of precarity which is framed in the book as the border The volume proposes the concept of the border recognising its conceptual and analytical dynamism as a generative space that can facilitate new imaginaries and articulations of this social institution the university Strategic Communication Management for Development and Social Change Tsietsi Mmutle, Tshepang Bright Molale, Olanrewaju Olugbenga Akinola, Olebogeng Selebi, 2023-12-13 This book is the first of its kind within the African region to combine scholarly perspectives from the fields of Strategic Communication Management and Communication for Development and Social Change It draws insights from scholars across the African continent by unravelling the complementary nature of scholarship between the two fields through the lens of prevailing governance and sustainability challenges facing African countries today This edited volume covers issues that have adversely affected the achievement of goals related to humanitarian upliftment development and social change for all African nations Consequently citizen participation which lies at the heart of these challenges when considering the question of sustainable governance and policy development for social change in an African context is addressed To this end a reflection is also made on various case studies that exist where local citizens do not inform sustainable development programmes while the promotion of bottom up development and social change is largely replaced by top down instrumental action approaches and hemispheric communication instead of strategic communication Themes explored include Communication for social change bottom up development and social movements in the local government sphere Strategic communication in governance planning and

policy reforms The role of multi stakeholder partnerships in achieving development of objectives geared towards good governance in Africa Public participation protests and resistance from below Public sector health communications and development Media relations accountability and contested development narratives with the Fourth Estate Social media and eParticipation in government development programs

**Deanship in the Global South** Oliver J.J. Seale,2021-02-08 The university today is a postmodern neo liberal competitive boundary less knowledge conglomerate a far cry from its historical traditional classical and collegial roots There is a body of literature on deanship that points to its evolving nature in the contemporary

academe characterised by complexity and change Balancing academic demands simultaneously with the requirements for effective performance leadership and management lies at the heart of this very challenging bridging role nowadays Deans are generally former academics emerging from a traditional collegial space and often catapulted into the relatively unknown domain of executive management with its related problems Deans nowadays are required to be more than collegial intellectual leaders They are also meant to be fiscal and human resource experts fundraisers politicians and diplomats Deanship in the Global South Bridging Troubled Waters is about the deans lived reality as they try to balance the demands of both the academe from which they emerge and the administration to whom they now need to account Their lack of preparation and inadequate support points to the need for a more strategic integrated approach to leadership development within their critical bridging roles between the academe and administration
