LatinX Claudia Milian, 2019-12-10 Nationality is not enough to understand Latin descended populations in the United States LatinX has neither country nor fixed geography LatinX according to Claudia Milian is the most powerful conceptual tool of the Latino a present an itinerary whose analytic routes incorporate the Global South and ecological devastation Milian's trailblazing study deploys the indeterminate but thunderous X as intellectual armor a speculative springboard and a question for our times that never stops being asked LatinX sorts out and addresses issues about the unknowability of social realities that exceed our present knowledge Forerunners Ideas First Short books of thought in process scholarship where intense analysis questioning and speculation take the lead

Digital Existence Amanda Lagerkvist, 2018-07-20 Digital Existence Ontology Ethics and Transcendence in Digital Culture advances debates on digital culture and digital religion in two complementary ways First by focalizing the themes ontology ethics and transcendence it builds on insights from research on digital religion in order to reframe the field and pursue an existential media analysis that further pushes beyond the mandatory focus in mainstream media studies on the social cultural political and economic dimensions of digitalization Second the collection also implies a broadening of the scope of the debate in the field of media religion and culture and digital religion in particular beyond religion to include the wider existential dimensions of digital media It is the first volume on our digital existence in the budding field of existential media studies

The Woman Question in Plato's Republic Mary Townsend, 2017-08-07 In this book Mary Townsend proposes that contrary to the current scholarship on Plato's Republic Socrates does not in fact set out to prove the weakness of women Rather she argues that close attention to the drama of the Republic reveals that Plato dramatizes the reluctance of men to allow women into the public sphere and offers a deeply aporetic vision of women's nature and political position a vision full of concern not only for the human community but for the desires of women themselves

The Unseen Things Kathryn A. Rhine, 2016-04-04 What do HIV positive women in Nigeria face as they seek meaningful lives with a deeply discrediting disease Kathryn A Rhine uncovers the skillful ways women defuse concerns about their wellbeing and the ability to maintain their households Rhine shows how this ethic of concealment involves masking their diagnosis unfaithful husbands and unsupportive families while displaying their beauty generosity and vitality As Rhine observes collusion with counselors and support group leaders to deflect stigma secure respectability and find love features prominently in the lives of ordinary women who hope for a brighter future as the HIV epidemic continues to expand

The Ebola Outbreak in West Africa Constantine N. Nana PhD, 2016-09-09 The Zaire Ebola virus appeared out of nowhere and then disappeared into thin air after killing scores of humans in West Africa In *The Ebola Outbreak in West Africa* author Constantine N Nana attempts to better understand the outbreak and answer the question why Through meticulous research combing through misleading media reports and equivocal academic papers Nana takes a close look at the chain of events He raises a series of questions Why were there Ebola experts in the region shortly before the

outbreak Why did the Sierra Leonean government order a research institution to stop Ebola testing during the outbreak Why did the United States government decline to renew funding for one of the research programs during the crisis Why did one of the key researchers state that the epidemic may have been caused by a contaminated needle Did the initial outbreak really originate with a two year old child in an isolated area In *The Ebola Outbreak in West Africa* Nana challenges standard explanations of the virus origins and demonstrates that many questions remain unanswered *The Other World* Craig Arceneaux, Anika Leithner, Benjamin F. Private International Law and the Internet Dan Jerker B. Svantesson, 2016-03-22 In this the third edition of Private International Law and the Internet Professor Dan Svantesson provides a detailed and insightful account of what is emerging as the most crucial current issue in private international law that is how the Internet affects and is affected by the four fundamental questions When should a lawsuit be entertained by the courts Which state's law should be applied When should a court that can entertain a lawsuit decline to do so And will a judgment rendered in one country be recognized and enforced in another He identifies and investigates twelve characteristics of Internet communication that are relevant to these questions and then proceeds with a detailed discussion of what is required of modern private international law rules Professor Svantesson's approach focuses on several issues that have far reaching practical consequences in the Internet context including the following cross border defamation cross border business contracts cross border consumer contracts and cross border intellectual property issues A wide survey of private international law solutions encompasses insightful and timely analyses of relevant laws adopted in a variety of countries including Australia England Hong Kong the United States Germany Sweden and China as well as in a range of international instruments There is also a chapter on advances in geo identification technology and its special value for legal practice The book concludes with two model international conventions one on cross border defamation and one on cross border contracts as well as a set of practical check lists to guide legal practitioners faced with cross border matters within the discussed fields Professor Svantesson's book brings together a wealth of research findings in the overlapping disciplines of law and technology that will be of particular utility to practitioners and academics working in this new and rapidly changing field His thoughtful analysis of the interplay of the developing Internet and private international law will also be of great value as will the tools he offers with which to anticipate the future Private International Law and the Internet provides a remarkable stimulus to continue working towards globally acceptable rules on jurisdiction applicable law and recognition and enforcement of judgments for communication via the Internet

Antígonas Moira Fradinger, 2023-02-28 *Antígonas* Writing from Latin America is the first book in the English language to approach classical reception through the study of one classical fragment as it circulates throughout Latin America This interdisciplinary research engages comparative literature Latin American studies classical reception history feminist theory political philosophy and theatre history Moira Fradinger tracks the ways in which since the early nineteenth century fragments of Antigone's myth and tragedy have been persistently cannibalized and ruminated throughout South and Central America and the Caribbean quilted to local dramatic forms revealing an archive of political thought about Latin America's heterogeneous neo colonial histories Antígona is consistently characterized as a national mother and as the twentieth century advances multiplied on stage forming female collectives foregrounding the urgency of systemic change or staging gender politics

Through meticulous examination of classical culture in neocolonial contexts Fradinger explores ways of reading Creole texts from the geopolitical South that disrupt the colonial reading protocols that deracinate texts or lock them into locality By historicizing Ant gona plays and interpreting them with a purpose to address specific colonial legacies the book reveals how Ant gona has ceased being Greek and instead tells stories of twentieth and twenty first century Latin America Ant gonas rethinks the paradigms through which we understand the presence of ancient cultural materials in former colonial territories while illuminating an understudied continent in Anglophone reception studies

Discrimination, Vulnerable Consumers and Financial Inclusion Cătălin-Gabriel Stănescu, Asress Adimi Gikay, 2020-12-28 This book addresses the questions of discrimination vulnerable consumers and financial inclusion in the light of the emerging legal socioeconomic and technological challenges New technologies such as artificial intelligence driven consumer credit risk assessment and Fintech platforms the changing nature of vulnerability due to the ongoing COVID 19 pandemic as well as the sophistication of digital technologies which help circumvent legal barriers and protections necessitate the continuous study of the existing legal frameworks and measures that are capable of tackling these challenges Organized in two major parts the first addresses from multiple national angles the idea of a human rights approach to consumer law in order to replace the mantra of economic efficiency that characterizes financial services with those of human dignity and freedom from discrimination and from debt induced servitude The second tackles the challenges posed by increased usage of technology in connection with financial services which tends to solve but also creates additional issues for consumers in general and for vulnerable groups in particular

The Form of Legislation and the Rule of Law Ronan Cormacain, 2022-12-22 What does the rule of law mean in practical terms for the way that legislation is prepared drafted and presented It is a cornerstone of the UK legal order and requires certain things from the legal system such as that the law must be intelligible predictable and accessible This book examines what those requirements mean for the form that legislation must take Using the rule of law as the starting point the author uses deductive reasoning to determine what flows from this in terms of the form of legislation Each element of the rule of law is analysed to establish principles about the form that legislation ought to take and the book examines how each principle can be given concrete effect The originality lies in the nexus between the rule of law and the form of legislation Much has been written about the nature and content of the rule of law but relatively little has been devoted to legisprudence the theory and practice of legislation This book now draws these two subjects together in a detailed and innovative way

The Strauss-Krüger Correspondence Susan Meld Shell, 2018-04-25 This book presents the first full translation of the correspondence of Leo Strauss and Gerhard Krüger showing for each the development of key and influential ideas along with seven interpretative essays by leading Strauss scholars During the early to mid 1930 s Leo Strauss carried on an intense and sometimes deeply personal correspondence with one of the leading intellectual lights among Heidegger s circle of recent students and younger associates A fellow traveler in the effort to return to Plato and reject neo Kantian

conventions of the day Kr ger was also a serious student of Rudolf Bultmann and the neo orthodox movement in which Strauss also took an early interest During the most intense years of their correspondence each underwent significant intellectual development in Kr ger s case through a penetrating series of studies of Kant and Descartes respectively ultimately leading to Kr ger s conversion to Catholicism and in Strauss s case through the complex stages of what he subsequently called his reorientation involving what he for the first time calls political philosophy Readers interested in tracing the development of Strauss s thoughts regarding a theological alternative that he found helpfully challenging if not ultimately compelling will find this correspondence to be an accessible point of entry
