Monroe, North Carolina, Turning Point in American History Conrad J. Lynn, 1962 Writings on American History, 1926 **Food and Drink in American History** Andrew F. Smith, 2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history **Public Choice Analyses of American Economic History** Joshua Hall, Marcus Witcher, 2018-10-04 This book the second of two volumes looks at episodes in American economic history from a public choice perspective Each chapter discusses citizens special interests and government officials responding to economic incentives in both markets and politics In doing so the book provides fresh insights into important periods of American history from the First Nationalist Movement of 1783 to the perpetual renewal of the Federal Reserve in 1927 This volume features the work of prominent economic historians such as Hugh Rockoff well known public choice scholars such as Joshua Hall and J R Clark and younger scholars such as Marcus Witcher and Zachary Gocenour This book will be useful for researchers and students interested in economics history political science economic history public choice and political economy Battles That Changed American History Spencer C. Tucker, 2014-01-22 A fascinating and informative analysis by a distinguished military historian of the 100 most influential battles in American history presented in an accessible ready reference format The Battle of Okinawa April June 1945 resulted in more U S Navy casualties than all of the navy s previous wars combined these heavy casualties influenced the decision to employ the atomic bomb against Japan that August This is just one of many instances in American military history when the outcome of a battle helped to establish the course of history the focus of this latest encyclopedia from esteemed historian Spencer C Tucker The 100 battles spotlighted in this work which include defeats as well as victories are deemed to have had the greatest impact on American history Spanning more than 500 years of military events the book begins its coverage with the Battle of Mabila in 1540

during the Age of Discovery and ends with the Second Battle of Falluja during the Iraq War Insurgency in 2004 Expertly written informative and thoughtful this analysis will be insightful and interesting for all high school undergraduate and general readers
