and sure as he shows how our minds can be as nurturing as clover which enriches the soil and benefits the environment as it
grows The opening chapters discuss the Ten Grave Precepts of Zen which Aitken points out are not commandments etched in
stone but expressions of inspiration written in something more fluid than water Aitken approaches these precepts the core of
Zen ethics from several perspectives offering many layers of interpretation Like ripples in a pond the circles of his
interpretation increasingly widen and he expands his focus to confront corporate theft and oppression the role of women in
