Stay Conscious Inside Black America S Mind:

Stay Conscious Iriel Hampton,2015-01-07 Stay Conscious is a campaign created to raise awareness of the current state of Black America The goal of this campaign is to get Black Americans to not only remember what has happened to their people but to take action by redefining Black America s identity *African Or American?* Leslie M. Alexander,2011-12-21 The struggle for black identity in antebellum New York **The Lonely Princess** Christabel Miebai,2024-10-22 Words can t explain how much pain I felt during those years The beatings insults and worst of all the nightmares Elizabeth was known as the Lost Princess of the Italian Mafia She had been missing for years and couldn t remember her family It all ended the day she met her brother in the cell where she had stayed for years Will she move in with her new family or will she become the outcast and freak they turned her into **The Passing of Ku Sui** Anthony Gilmore,2023-10-04 I highly recommend The Passing of Ku Sui to anyone who enjoys atmospheric character driven fiction with a touch of the supernatural Anthony Gilmore s skillful storytelling and immersive world building make this book a must read for fans of gothic literature and mystery The book offers a unique and captivating glimpse into a world that is both familiar and alien drawing readers in with its haunting beauty and timeless themes **Shattered Minds** Robert H. Bauman,Dina Rasor,2019-03-01 Shattered Minds is the first book to investigate how American military bureaucracies have let our troops down by failing to upgrade one of the most important pieces of personal safety equipment the combat helmet Two longtime employees of North Dakota defense contractor Sioux Manufacturing discovered that the required density of the Kevlar material woven into the netting of combat helmets was being shorted After bringing their discovery to the attention of management their boss rather than cleaning up the illegal practice accused them of having an adulterous affair Both employees were fired leading to a lawsuit and a court judgment in their favor that eventually brought the company s bad faith practices to light Around the same time a separate whistleblower a retired Navy doctor was pulled into a bizarre struggle with Army and Marine bureaucracies when he discovered from his Marine grandson that the protective webbing inside the military helmets was inadequate Why was the military so resistant to upgrading the most essential piece of gear to protect soldiers from traumatic brain injury Interweaving these two whistleblower stories Robert H Bauman and Dina Rasor explain why the military despite news coverage and congressional hearings on the faulty helmet continued to do the indefensible They also suggest how the public the press and military institutions can remedy the problem to give U S troops effective helmets when serving to protect their country **Into the Jaws of Yama, Lord of Death** Karma Lekshe Tsomo,2012-02-01 This book explores the Buddhist view of death and its implications for contemporary bioethics Writing primarily from within the Tibetan tradition author Karma Lekshe Tsomo discusses Buddhist notions of human consciousness and personal identity and how these figure in the Buddhist view of death Beliefs about death and enlightenment and states between life and death are also discussed Tsomo goes on to examine such hot button topics as cloning abortion assisted suicide euthanasia organ donation genetic engineering and stem

scholars experience shockingly low rates of tenure and promotion because of the ways they are marginalized by intersectionalities of race and gender in academia Fight the Tower shows that Asian American women stand up for their rights and work for positive change for all within academic institutions The essays provide powerful portraits reflections and analyses of a population often rendered invisible by the lies sustaining intersectional injustices to operate an oppressive system

Pilates Method Debbie Lawrence, 2014-09-05 Fitness Professionals Pilates Method is the first book to be written for the specific needs of Pilates instructors It contains everything a new teacher needs to know in order to pass the national qualification and is an ideal reference for experienced instructors Pilates is one of the most popular and fastest growing group exercise classes in the UK For many years it has not been possible to write a definitive book for instructors as there have been many different schools of teaching However these have recently been brought together under a single national assessment meaning that all Pilates instructors must have the same foundation knowledge This book will cover these foundation subjects which include anatomy the key principles of Pilates assessment structuring a session teaching a session Written to the requirements of the national standards this book contains everything an instructor needs to know in order to successfully teach Pilates

Sankhya Sansar~ Sankhya, Yoga and Vedanta in an exciting union Premyogi vajra, 2024-09-22 In the vast tapestry of Indian philosophy three threads stand out for their profound insights and transformative potential Sankhya Yoga and Vedanta Each of these ancient systems offers a unique perspective on the nature of reality consciousness and the path to spiritual liberation When woven together they create a rich and vibrant narrative that speaks to the deepest aspects of the human experience Sankhya provides the metaphysical foundation delineating the dualistic interplay between Purusha pure consciousness and Prakriti the material universe It is within this framework that we understand the cosmic dance of creation preservation and dissolution Yoga with its practical approach offers the tools and techniques to harmonize the body mind and spirit Through disciplined practice one can transcend the limitations of the physical and mental realms experiencing the union of the individual self with the universal consciousness Vedanta the culmination of Vedic wisdom transcends duality revealing the ultimate truth of non dualism It teaches that the apparent separation between the self and the cosmos is an illusion and that in reality all is one In this short though summarized book we explore the exhilarating convergence of these three philosophies focusing on the transformative journey of Kundalini awakening This sacred process is likened to a divine marriage festival where Prakriti and Purusha unite in a blissful embrace As the dormant Kundalini energy rises through the chakras it awakens the latent potential within leading to profound spiritual realization and inner harmony Join us on this enchanting journey where ancient wisdom meets modern understanding and the timeless dance of Purusha and Prakriti unfolds in all its splendor Whether you are a seasoned practitioner or a curious seeker this book offers insights and inspiration to guide you on your path to self discovery and enlightenment All chapters in this book were originally part of our earlier work Kundalini Science series Spiritual Psychology

books If you enjoyed these you ll find more in the full compilation **A Conscious Life** Funmi Oyetunji,2016-07-16 In my observation of lives around me I often wonder What happened there I imagine what that person might have done to contribute to the success or failure of their own life Usually a life attracts my attention because of its exceptionality for good or for bad Over time I have come to see that many people seem to wander through life just to wake up one day usually at about middle age and realize that their life had happened while they were not looking This is a clarion call and encouragement to consciousness and deliberateness in living the life one would be proud of in the end It is also a summary of the lessons I have learned from my own experiences or from books and other resources I have used in my quest for answers on the subject of life The chapters are arranged based on the different stages and aspects to point out signposts road junctions and time lines that the reader can expect to navigate on the journey of life It is to bring consciousness to the consideration and planning that the different aspects of life need for your own particular journey The book must not be read in a particular sequence you can read particular chapters or aspects as required by your particular stage situation or need for counsel at different times Different chapters will be more applicable and enlightening for different readers at different times It could be growing up and career building time for some marriage and parenting for others It might be about maneuvering middle and old age for yet another In the end no one can control all aspects of life all the time but you can be awake and write your own story by making things happen instead of just waiting and watching them happen accepting whatever life brings Make your life happen *Violet Sky* W. Bradley,1900 Death is only the beginning in this fast paced science fantasy novella Caught in the fray of treachery and deceit Dia Thorpe must unravel the mysteries of her past before her past unintentionally stabs her in the back She is hurled into a peril fraught journey of incredible discoveries and evil twists An interplanetary adventure to learn who she is all the while avoiding the wrath of a God a logic bound being driven by the will to end all suffering Quickly Who saved her from imprisonment on Earth Why What explained her ability to heal Did answers to Dia s questions lie in the beautiful city of Avalon This is a fiction novella of 23 000 words and is part 1 in the Silvaera s Spire series Extract It s ready Said Kant who had been busying himself behind a panel in the far corner Are you ready Dia hadn t even considered this The importance of seeing Daniel again was paramount She looked down at her sword in its sheath and her almost impenetrable outfit then across to the gun which was now hanging from a loop on her skirt I am ready She finally replied her voice calm but serious Kant wordlessly shifted closer to Dia and clasped her hand A moment later the room and everything in existence had simply gone including Dia herself She could neither feel nor sense Then Kant was there she could feel him Then she could see green light It was overwhelming at first but after a few seconds Dia s eyes adjusted to the brightness and the green focused into individual objects There were great trees vines bushes and long grasses in all directions but one to Dia s side there was a path cutting its way through the jungle She knew where this led She remembered it now It was a path created by herself and Daniel long ago before peace had become war Before Ssus She

felt comforted somewhat by the sights before her and the familiar smells of foliage Beckoning Kant to follow she began to follow the path through the undergrowth They walked onwards for some time It wasn't a difficult walk as the path somehow prevented itself from becoming overgrown When they came to rivers or great chasms there were bridges which seemed far too sophisticated for the area Once the path took them directly through a mountain the underground passageway lit by white flamed torches which apparently never burned out
