Hardin's love was complicated before. Now it's more confusing than ever. AFTER WE FELL, Life will never be the same. HESSA Just as Tessa makes the biggest decision of her life, everything changes. Revelations about first her family and then Hardin's throw everything they knew before in doubt and makes their hard-won future together more difficult to claim. Tessa's life begins to come unglued. Nothing is what she thought it was. Not her friends. Not her family. The one person she should be able to rely on, Hardin, is furious when he discovers the massive secret she's been keeping. And rather than being understanding, he turns to sabotage. Tessa knows Hardin loves her and will do anything to protect her, but there's a difference between loving someone and being able to have them in your life. This cycle of jealousy, unpredictable anger, and forgiveness is exhausting. But if Tessa follows her heart now, will it be the end?

Bottolini, 2024-08-26 When I adopted Jayden, I was convinced that I was doing the right thing. And I actually haven't regretted it, even though adopting Jayden turned out to be the right thing for all the wrong reasons. As he grew up, in fact, Jayden turned into an all-too-dominant alpha male, and if this was good news after all for me and my adopted daughter Mia, this wasn't the case at all for his stepbrother Kevin, who had no way of stopping Jayden from bullying me, Mia, and especially Kevin himself. This short story is included in the *Taboo Erotica Collection*. **The Writing Family of Stephen King** Patrick

McAleer, 2014-01-10 This work examines Stephen King's position in popular literary circles and then considers the contributions of his family to the landscape of contemporary fiction. Though they have to a degree been eclipsed by Stephen King's popularity, his wife Tabitha King and sons Owen King and Joe Hill have found varying levels of success in their own right. The three have traveled their own writing paths from supernatural fiction to contemporary literary fiction. This is the first extended exploration of the works of three authors who have too long been overshadowed by their proximity to the King of Horror. *He's All That* Juliana Stone, 2019 Echo gave Boyd Appleton my virginity when I was sixteen, and he broke my heart.
