Stepping up Lesson Study Aki Murata, Christine Kim-Eng Lee, 2020-11-26 This is a much needed book for educators who want to learn more than just the surface features of lesson study to deepen the process and learning Bringing together current knowledge and resources from lesson study practitioners and researchers all over the world this book provides models and examples of how teachers can learn more deeply and how to support them to learn more in lesson study The chapters connect current research educational theories to classroom practices and are filled with examples to illustrate how deeper learning looks with lesson study for example highlighting the research process paying attention to educative talk using of case pupils students as the teachers focus doing kyouzai kenkyuu well facilitating mock up lessons and so forth This is not a basic how to handbook of lesson study and readers can choose chapters with topics of interest to learn and use the new ideas promptly in their work Coming from the global network of lesson study educators the book not only provides new learning guides but also provides stories of how lesson study has been adopted in different cultures and educational contexts

Step-up English Grammar and Composition 3 (A.Y. 2023-24) Onward Fr Francis M Peter, 2023-05-20 Language is one of the highest forms of expression It acts as the medium to make our ideas thoughts and feelings understood and appreciated Like art language can touch the heart and inspire the soul And at the heart and soul of a language lies its grammar Grammar helps the learners build a firm foundation for using the language It is therefore very important for learners to develop the grammar skills that they need in order to express themselves meaningfully and creatively Step up English Grammar and Composition 1 8 is an NEP aligned carefully graded grammar series developed to address the need of a systematic and step wise strategy for understanding grammar The series is based on the eclectic approach to language acquisition and presents a smooth blend of the inductive as well as the deductive method of teaching and learning the language Each concept has been covered in detail and great care has been taken to offer the relevant core concepts for the learners at each level Last but not least the utmost care has been taken to encapsulate in the series the key parameters laid down in National Education Policy NEP 2020 The NEP places the learner at the heart of the teaching learning process In recent years there has been a paradigm shift towards designing a learner centric curriculum that is based on an activity based approach There is also an equal emphasis on equipping young learners with essential twenty first century skills The text as well as the activities in the book promote the holistic development of the learners Besides there is a lot of emphasis on enhancing the creativity critical thinking and communication and collaboration skills of learners Salient Features of the Book A conscious effort has been made to incorporate the major NEP specifications Simple clear and detailed explanations of essential grammatical concepts have been given Explanations are followed by ample examples and a variety of well graded exercises to reinforce the concepts Simple and clear instructions have been given in the exercises for easy understanding Fun based art integrated exercises together with a wide range of activities like grids and puzzles have been used to bring the joy of learning to the

classroom There is also a great emphasis on building cross curricular grade appropriate vocabulary through exercises and comprehension Speaking activities have been made a part of the grammar exercises to instil more confidence in the learners All the explanations and exercises have been coupled with learner friendly layout and illustrations for additional support Test papers have been introduced periodically to check if the learners have grasped the concepts Teacher s Resource Books comprise lessons plans additional activities and teaching guidelines along with the answer key for each book They are meant to serve as a handy aid for teachers and facilitate a wholesome teaching learning experience We hope this series caters to the requirements of the teachers as well as the students and meets our expectations in serving as a guide to the next generation of global citizens While every possible effort has been made to avoid errors and omissions any constructive suggestions for the improvement of the series will be welcomed and incorporated in future editions Publishers *Step Up, Step Back* Elsbeth Johnson,2020-02-20 Many strategic change efforts fail And virtually all of them are harder than they need to be Why is this And what can we do to make change more likely to stick Dr Elsbeth Johnson a former equity analyst and London Business School Professor now teaching at MIT has spent a decade researching how to deliver strategic change in practice Based on asking managers what they needed from leaders rather than just asking leaders what they did her resulting Step Up Step Back approach challenges some of our most fundamental beliefs about how to lead change and indeed about what we even consider to be leadership The Step Up Step Back approach suggests leaders need to step up and do more than they typically do in the early stages of the change in specific ways and at specific times and then step back and do less than they typically do in the later stages of the change again in specific ways at specific times The result is not only change that sticks but empowered motivated managers who can get on with delivering change without needing ongoing input or cover from leaders Using real world examples of how to apply the science in practice Step Up Step Back gives you a roadmap for how to deliver strategic change in your organization *Four Blood Moons Companion Study Guide and Journal* John Hagee,2025-05-01 Over the last 500 years blood red moons have fallen on the first day of Passover three separate times These occurrences were connected to some of the most significant days in Jewish history 1492 the final year of the Spanish Inquisition when Jews were expelled from Spain 1948 statehood for Israel and the War of Independence and 1967 the Six Day War The next series of four blood moons occurs at Passover and Sukkot in 2014 and 2015 In this devotional study guide Pastor Hagee challenges readers to further explore the meaning behind blood moons understand why Christians must recognize these signs that God refers to in Scripture and absorb their prophetic significance Ideal for individuals and groups this devotional study guide combines questions and reflective journaling for deeper meaning and life application *Comptia Network+ in 21 Days N10-006 Study Guide* C.V.
