Vincent's dreams of black shapes of giants and of fire are omens destined to fulfill themselves. As some of Vincent's team crafts new technology, Vincent decodes a ciphered tome containing secrets of worlds they have never heard of. The deeper the group delves into its pages, the more they realize that the book may be the work of a madman bent on summoning an ancient evil. And the deeper Vincent delves into the caves and portals of his world, the more he realizes that the mysteries of the Nether and the End are slowly opening up to him, though it may cost him his life.

Book Three: Of Dragons and Demons

The *Obsidian Chronicles* reaches its most climactic chapter as Vincent and his team of miners and crafters face their ultimate challenge. When Vincent and his team accidentally summon an eldritch horror to their plane of existence, all of their preparations and training gets put to the test. Magically enchanted weapons and armor are the only defenses that the strategic Vincent, the genius Austin, and their team of skilled friends have against the Wither. Now, with a demonic leviathan on his trail and a heroic destiny beckoning him to slay a god of the Sky, whether Vincent is prepared or not, he is about to come head to head with new worlds that he has never known: worlds of sentient tomes and legendary swords, of dimensions and darkness of dragons and demons.
