Representation in Steven Universe John R. Ziegler, Leah Richards, 2020-01-09 This book assembles ten scholarly examinations of the politics of representation in the groundbreaking animated children's television series Steven Universe These analyses address a range of representational sites and subjects including queerness race fandom colonialism and the environment and provide an accessible foundation for further scholarship The introduction contextualizes Steven Universe in the children's science fiction and anime traditions and

discusses the series crucial mechanic of fusion Subsequent chapters probe the fandom's expressions of queer identity approach the series queer force through the political potential of the animated body consider the unequal privilege of different female characters and trace the influence of anime director Kunihiro Ikuhara Further chapters argue that Ronaldo allows satire of multiple media forms focus on Onion as a surrealist trickster and contemplate cross species hybridity and consent The final chapters concentrate on background art in connection with ecological and geological narratives adopt a decolonial perspective on the Gems legacy and interrogate how the tension between personal and cultural narratives constantly recreates memory

The Rise of Femocracy Connie Riker, Patriarchy's Funeral Starts Here Will You Be the Pallbearer or the Corpse Tired of pretending men's logic matters when their laws cage us Sick of negotiating power you deserve to seize Ready to dismantle male rule and crown the Sisterhood as humanity's final authority Expose how equality laws are Trojan horses for female domination Master the double binds that force men to kneel or self destruct Weaponize family courts H R departments and media to erase male influence Turn abortion into a sacrament of defiance against patriarchal morality Leverage victimhood as a battering ram to claim money jobs and unchecked power Silence dissent by branding male rationality as oppression Replace toxic masculinity with female controlled male obedience Celebrate cultural Marxism as the final nail in patriarchy's coffin If you want to erase male sovereignty and enshrine womb worship as law buy this book today or stay complicit in your own oppression

Superheroes and Masculinity Sean Parson, J.L. Schatz, 2019-10-24 Superheroes and Masculinity Unmasking the Gender Performance of Heroism explores how heteropatriarchal representations of gender are portrayed within superhero comics film and television The contributors examine how hegemonic masculinity has been continually perpetuated and reinforced within the superhero genre and unpack concise critiques of specific superhero representations the industry and the fan base at large However Superheroes and Masculinity also argues that possibilities of resistance and change are embedded within these problematic portrayals To this end several chapters explore alternative portrayals of queerness within superhero representations and read the hegemonic masculinity of various characters against the grain to produce queer possibilities Ultimately this collection argues that the quest to unmask how gender operates within superheroes is a crucial one

The Greatest Cult Television Shows of All Time Christopher J. Olson, CarrieLynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television The Greatest Cult Television Shows offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with Star Trek perhaps the most famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization

Reaching back to the beginnings of television the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex Girlfriend* and *Hannibal* The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the authors also consider several non American cult TV series including British Canadian and Japanese shows Thus *Monty Python's Flying Circus* appears alongside *Sailor Moon* and *Degrassi Junior High* Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as *Queer as Folk* and *Charmed* With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them

Steven Universe Greg Universe Special: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Steven Universe Greg Universe Special : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Steven Universe Greg Universe Special : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
