Passion-Driven Giving Gregory Tyree, 2013-08-31 Passion Driven Giving is based on the assumption that God's people will give to God's work This is a resource that will help pastors and lay leaders move their churches to greater commitment and consistent giving so that God's work His passions may be fulfilled Passion Driven Giving is a campaign built around the concept of Stewardship Month I have used this model in three churches for almost two decades and it works Since I deal extensively and meaningfully with stewardship for four or five weeks out of the year I do not have to constantly deal with money from the pulpit all the time Passion Driven Giving is a field tested resource It actually works The key to its success like most programs and campaigns is its application Generally the campaign should be followed verbatim That is all of the mail outs should be done all of the posters should be posted all of the sermons should be preached all of the Sunday School classes should participate etc Passion Driven Giving is also a reusable resource If Stewardship Month is an annual campaign this resource can be tweaked revised and enhanced to work for you for years to come And by purchasing this resource once you have the right to copy it as many times as you like One of the most important factors about Passion Driven Giving is that it involves everyone Sunday School teachers children lay people leaders staff everyone gets to be in on the action If the resource is used well it will work Remember people don't plan to fail they fail to plan So plan your work and work your plan and God will take care of the rest Be passion driven Be purpose driven Watch your ministry grow through Passion Driven Giving
