

Chicago Stationary Engineer Licensure Examination Information

This candidate guide should help you prepare for the Chicago Stationary Engineer licensure examination. Part I contains general information about testing procedures. Part II describes the content of the examination and recommends study materials. Part III includes sample questions to help you prepare for the test.

Part I General Information

PURPOSE OF THE EXAMINATIONS

This examination is required for professional licensure of Stationary Engineers in the City of Chicago. You must pass this test to be licensed.

TEST VALIDITY & TEST LENGTH

The test is timed to be three hours in length. All test questions have been subjected to strict psychometric controls and reflect standards and practices as described stationary engineers who are licensed in the City of Chicago.

STUDY MATERIALS

Study materials for this examination are described in Part II of this candidate guide. Each may be purchased directly from the publishers identified in Part II or from the Prairie Avenue Bookshop, 418 S. Wabash Avenue, Chicago 60605 (312-922-8311).

MISSING AN EXAMINATION

There are no "make-up" examinations. You may re-register for the next examination date. **THERE ARE NO REFUNDS.**

SUCCESS/ LICENSURE

Candidates who score 70 or higher will receive a PASS notice and an application for licensure.

FAILURE

Candidates who score below 70 will receive a FAILURE notice and an application for re-examination. Candidates are encouraged to retake the examination; many candidates who initially fail such an exam pass on subsequent attempts.
