They always reminded me that I was nothing but a maid and the fact that a whirlwind romance had happened between my mom, the former head maid, and their father wasn't going to change that. And that they did to the maximum. Until they realize that they all share a fated mate and she's no one other than Ashley, the stepsister of them. I rejected them and now they must fight tooth and nail to prove themselves to me as worthy of my forgiveness and love. You like your holes getting wrecked by our ccks at the same time, right? Axel growled at the same time he hit that spot, one that made me dizzy with intense pleasure and made me moan around his brother's cck. This is a dark romance with bully themes and with HEA.
