Wilt Tom Sharpe:

The Wilt Alternative Tom Sharpe, 2011-05-26 Henry Wilt is no longer the victim of his own uncontrolled fantasies. As Head of a reconstituted Liberal Studies Department he has assumed power without authority at the Fenland College of Arts Technology and the fantasies he now confronts are those of political bigots and reactionary bureaucrats in addition to his wife's enthusiasm for every Organic Alternative under the compost heap and the insistence of his quadruplets on looking at every problem with an unflinching lack of sentimentality. It is only when Wilt becomes the unintentional participant in a terrorist siege that he is forced to find an answer to the problems of power which have corrupted greater men than he. With a mental ingenuity born of his innate cowardice Wilt fights for those liberal values which are threatened both by international terrorism and by the sophisticated methods of police anti-terrorist agents. In the confusion that follows Wilt resumes his dialogue with the unflagging Inspector Flint and is himself subjected to the indignity of a psycho-political profile. Bitingly funny and brilliantly written *The Wilt Alternative* exposes the farcical anomalies which have become the social norms of our time.

Wilt in Nowhere Tom Sharpe, 2005 Brilliantly written and biting funny Tom Sharpe's indefatigable hero is pitted against the vices of an aristocratic pervert, the merciless greed of a politician's wife and the seedy underbelly of Britain's medical facilities, deftly exposing the farcical.

Wilt Tom Sharpe, 2011-05-26 Henry Wilt tied to a daft job and a domineering wife has just been passed over for promotion yet again. Ahead of him at the Polytechnic stretch years of trying to thump literature into the heads of plasterers, joiners, butchers and the like. And things are no better at home where his massive wife Eva is given to boundless and unpredictable fits of enthusiasm for transcendental meditation, yoga or the trampoline. But if Wilt can do nothing about his job, he realises he can do something about his wife and as each day passes his fantasies grow more murderous and more real.

The Wilt Inheritance Tom Sharpe, 2010 Tom Sharpe serves up the loudest laughs in literary comedy. He is the great post-Waugh humorist, the Wodehouse who dares plunge into the bottomless vulgarity and hysteria of our times and a rattling good companion on a train journey. Back Cover

Wilt Tom Sharpe, 2020-03-30 Cada vez que el profesor Henry Wilt entra en el aula del centro político algo se rompe en su interior. Con el regreso a casa cada día tampoco llega la paz sino tan solo la constatación de que su vida es una derrota continua. Y sin embargo algunas de las mejores carcajadas de la literatura contemporánea las hallar el lector en estas páginas. Las clases de literatura a los alumnos de Enyesado Alba ilera y Lampister a las obsesiones asesinas de Wilt proyectadas sobre una muñeca hinchable o al fin la delirante trama a partir de la extraña desaparición de la esposa se entretienen para crear una obra mítica. Quiz todo lo que resulte hilarante demencia para los lectores de 1976 pueda parecer realismo desnortado a los actuales. Lo que es seguro es que estamos ante uno de los pocos libros gracias a los que una carcajada a solas en el metro no nos identifica como locos sino como lectores distinguidos. Wilt Tom Sharpe, 1984 In *Wilt* Sharpe has created a pathetic mouse of a man Henry Wilt who for ten years has taught literature to under

appreciative over aged boors at the local college Tired of the constant bullying at the hands of his hefty obsessive compulsive wife Eva he finds himself gleefully fantasizing about murdering her When Eva runs off with a visiting biochemistry professor and his nymphomaniacal wife Wilt begins to practice her eventual demise by dumping a life size blow up doll wearing Eva's clothes and wig down a 30 foot shaft Inevitably and uproariously everything goes wrong as Wilt is accused of murder and mayhem ensues in this delicious and scathing comedic satire

The Throwback Tom Sharpe, 2011-05-26 When Lockhart Flawse is catapulted out of his upper class and rapunzel esque life with the curmudgeonly Flawse Senior he must enter the world of suburbia and marriage Rendered an absolute twit in modern society by his medieval upbringing Lockhart must resort to drastic tactics in his attempt to return to Flawse House Faced with the horrors of suburbia he must either terrorise blackmail and potentially kill an entire street of his tenants or attempt to find his unknown and elusive father in order to inherit the estate However with the belief that he was dropped into his mother's arms by a stork killing a street of people may be the wiser option for the socially inept young man He is also under mounting pressure as it may all be in vain if his gold digging mother in law has her way Now the wife of Flawse Senior she has decided that if Lockhart's wealthy grandfather can't have the decency to die on his own she will take matters into her own hands

The Great Pursuit and Wilt by Tom Sharpe Brian Elkner, 1986

The Gropes Tom Sharpe, 2011-05-26 It is one of the more surprising facts about Old England that one can still find families living in the same houses their ancestors built centuries before and on land that has belonged to them since before the Norman Conquest The Gropes of Grope Hall are one such family The Gropes are an old English family based in Northumberland separated from the rest of society and as eccentric as they come It is a line dominated by strong willed and oversexed women determined to produce more female heirs regardless of whether their desired partners are willing At the dawn of the new millennium timid and gormless teenager Esmond is abducted and lured to Grope Hall by a descendant of the Gropes Young Esmond is powerless to escape and his kidnap sets in motion a stream of farcical events that will have readers laughing out loud Tom Sharpe's trademark humour abounds in this new novel marking him out once again as an outstanding and unique British storyteller

Ancestral Vices Tom Sharpe, 2011-05-26 With his only friend a computer Walden Yapp has lived a singular life Professor of Demotic History at the University of Kloone Yapp spends his days highlighting the corrupt capitalistic nature of the upper classes and his nights feeding Doris his computer the information he has gathered So when capitalist Lord Petrefact hires him to write a damaging family history Yapp seizes the chance to chronicle the corrupt life of the Petrefact family Spurred on by his expectations of dishonesty and depravity Yapp heads of the town of Buscott where nobody is what they at first appear to be Now a pawn in Lord Petrefact's vindictive family game Yapp's presence is as welcome as the plague From provoking dwarfish marital problems to uncovering an erotic toy factory Yapp's presence sparks a chain of events that ends in death destruction and a murder trial Going through a car wash will never feel the same again
