Windows From Heaven Yes I Believe:

Windows from Heaven Matthew Seufer, 2014-11-19 Who could have known an afternoon walk around the block would eventually have such a profound impact on people around this world Acts 2 17 says In the last days God says I will pour my spirit out on all people Your daughters will prophesy your young men will see visions your old men will dream dreams It is all true We are being shown His constant heart to reach His people through this remarkable photography But we have this treasure in earthen vessels that the greatness of the power would be from God and not from us 2 Corinthians 4 7 Aramaic Bible in plain English I have been an amateur photographer most of my life the beauty in the world captures me I had always been told my photographs were wonderful and I knew I had a talent Several years ago my photographs began to change suddenly they no longer represented my skill they began to reflect the Creator behind the beauty How blessed we are that God only needs an open heart He reached out and touched me He drew me into a remarkable journey to touch others for Him I have spent the past several years on this very important and unique project How could I have known that a walk around the block with my camera would find its way to so many people around the world that a snapshot from my lens would speak to hearts for God How could I know how this path would change me I am a proud native of Williamstown West Virginia a small town along the Ohio River I enjoy the simple things in life and making a positive difference to those along my path I now reside in Columbia South Carolina

Upper Room Bulletin Upper Room Bible Class (Ann Arbor, Mich.), 1924 *The Sailor's Magazine*, 1861 *The Gospel Message*, 1924 *From My Window* Melissa Hendrickx, 2003-10 The poems in this book were written by Melissa between the ages of 13 and 16 and convey nearly every teenage emotion Although there is often a feeling of hopelessness there is an even stronger sense of determination and the willpower to overcome all that life presents Some of these poems will cause the reader to reflect on past decisions some will lead the reader to a greater understanding of adolescence and others will leave the reader with a sense of promise for a better tomorrow

The Wind from Heaven's Window Pat Mitchell, 2013-11 This collection is a combination of romantic philosophic mystical and spiritual poetry written to warm even the coldest of hearts They come from a very inspired place that speaks of a great desire to understand ourselves The elusive butterfly in all of us that out of its innate curiosity to learn and experience things by necessity transforms itself They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life Most importantly a message of hope and joy runs through them so that we are always reminded that even in our darkest moments the light of truth and love has never abandoned us The book also shares some of the stories that inspired and motivated some of the poems They run the gamut from gut wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child Included is a section titled Musings on Life These are philosophic perspectives intended to be life lessons for the reader It s been said that not all men are masters but all masters

have been men Along that same line of thinking the author feels that although not all philosophers are poets all poets are philosophers *Twenty-Nine Tales* James Howerton,2011-05-18 You dont talk like God How do you know Have you ever once talked to Me What do you want Me to do start throwing a bunch of thees and thous at you Im not the threatening kind Andy But you owe Me a favor And it would be better to pay it than not Oh Please Andy crawled off the couch and got to his knees He clasped his hands in supplication Please just leave me alone Get off the floor Andrew Get off your damn knees And stop folding your hands in front of you it creeps Me out Ive had a stomach full of people whimpering on their knees believe you Me I never made people to be on their knees they somehow learned it on their own Andy stared up at the bumpy white ceiling Whats the favor you ask of me Its a small thing the voice said I want you to rescue my daughter Andy stared at the ceiling Then he scrambled off the couch and staggered into the kitchen Andy I need a drink Maybe four or five Oh God He touched his chest heard his heart pumping too hard Yes Drink until I pass out and this goes away Are you talking to yourself or Me What Rescue your My daughter The daughter of God At Heaven's Doorway Diane Line,2008-03-20 This powerful inspirational memoir allows the reader to experience author Diane Line s spiritual journey She learned how the ordinary becomes extraordinary how love reaches beyond death and how invisible beings influence lives In her story At Heaven s Doorway Mystical Golden Roses for Spiritual Growth Diane and her daughters share their true stories of spiritual growth and inspiration **Under My Window** Navid Sorkhou,2015-03-20 Sammi is a car salesman a family man and an addict Bored with his personal life Sammi spends ridiculous amounts of money on women booze and drugs Unfortunately now Sammi cannot endure long without a hit of something from his dealer Luci But little does he know that the high he desperately seeks will eventually lead him to seal his fate Constable Johnson is a police officer who has just pulled over a car thief Fully Loaded as he is called on the street is not just another pretty face He is a law school graduate who gets a rush from stealing cars Johnson hates to draw his gun But when he does what happens next will surprise everyone As their granddaughter Homa looks on Ahmadi and Bandar have an animated discussion under a window Homa is fascinated by her grandfathers especially when they talk about their home country Iran As the men continue they have no idea another is listening learning and contemplating his own life from the window above Under My Window is a collection of stories that reflect sacrifices made for love as diverse characters attempt to find purpose and discover that perfection is impossible *YES TO SUCCESS* DR.
