Canadiana ,1991 **A Guide to the Current Periodicals and Serials of the United States and Canada** Henry Ormal Severance,1914 **And Where Do We Go From Here?** Janet McClain,1982 CMHC provided the financial assistance for the symposium This document represents the proceedings **Guide to the Current Periodicals and Serials of the United States and Canada** ,1914 *Poor Housing* Josh Brandon,Jim Silver,2017-01-18T00:00:00Z Across Canada there is a severe shortage of decent quality housing that is affordable to those with low incomes and much of the housing that is available is inadequate even appalling The poor condition of housing for those below the poverty line adds to the weight of the complex poverty they already endure which includes worsening health adversely affected education and neighbourhoods that are more prone to crime and violence Using Winnipeg Manitoba as an example *Poor Housing* examines the real life circumstances of low income people who are forced to live in these conditions Contributing authors examine some of the challenges faced by low income people in poor housing including difficulties with landlords who abuse their power bedbugs racism and discrimination and a wide range of other social and psychological effects Other selections consider the particular housing problems faced by Aboriginal people and by newcomers to Winnipeg as well as the challenges faced by individuals living in rooming houses A central theme in the collection is that the private for profit housing market cannot meet the housing needs of low income Canadians and therefore governments must intervene and provide subsidies But all levels of government have shown a consistent unwillingness to invest in decent housing for low income people The irony is that the social costs of poor housing and the complex poverty of which it is a part are almost certainly greater than the costs of investing in subsidized social housing and related anti poverty measures Finally the authors describe a number of creative and successful housing strategies for low income people in Winnipeg including Aboriginal housing co ops a revitalized 1960s style public housing complex and a highly creative repurposing of an inner city church into supported social housing In these successful cases communities and governments have worked cooperatively to good effect Geo. P. Rowell and Co.'s American Newspaper Directory ,1896 **Reader's Guide to British History** David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication *Canadian Almanac & Directory* 1992 ,1992 *Canadian Almanac & Directory* Ann Marie Aldighieri,2005-12
