and affecting book he vividly recounts his time in the chimp house and the histories of its residents Kirkus Reviews He arrives with dreams of striking up an immediate friendship with the legendary Tom the wise face of the Great Ape Protection Act but Tom seems all too content to ignore him Gradually though old man Tommie and the rest of the troop begin to warm toward Westoll as he learns the routines of life at the farm and realizes just how far the chimps have come Seemingly simple things like grooming establishing friendships and alliances and playing games with the garden hose are all poignant testament to the capacity of these animals to heal Brimming with empathy and entertaining stories of Gloria and her charges The Chimps of Fauna Sanctuary is an absorbing bighearted book that grapples with questions of just what we owe to the animals who are our nearest genetic relations A powerful look at how we treat our closest relatives The Plain Dealer I knew the prison like conditions of the medical research facility from which Gloria rescued these chimpanzees when I visited them at their new sanctuary I was moved to tears Andrew Westoll is a born storyteller The Chimps of Fauna Sanctuary written with empathy and skill tenderness and humour involves us in a world few understand And leaves us marveling at the ways in which chimpanzees are so like us and why they deserve our help and are entitled to our respect Dr Jane Goodall This book will make you think deeply about our relationship with great apes It amazed me to discover the behaviors and feelings of the chimpanzees Temple Grandin author of *Animals in Translation* **Winter Evenings at College** Benjamin Thomas Holcott Cole,1829 Sermons.
