Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to

complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading I See Reality Grace Kendall, 2016-01-26 An anthology of twelve original short stories by top authors exploring real issues for real teens Through prose and comics alike these heart-pounding short stories for young adults ask hard questions about a range of topics from sexuality and addiction to violence and immigration Here is the perfect tool for starting tough discussions or simply as an introduction to realistic literary fiction In turns funny thought-provoking and heartbreaking I See Reality will resonate with today's teens long after the last page has been turned Contributing authors include Jay Clark Kristin Clark Heather Demetrios Stephen Emond Patrick Flores Scott Faith Hicks Trisha Leaver Kekla Magoon Marcella Pixley James Preller Jason Schmidt and Jordan Sonnenblick These 12 stories manage to capture all of the laughter tears struggles horrors and highlights of being a teenager and I loved every minute of it TeenReads **Statement**, 2012 The Writers Directory, 2013 Journals of the Legislative Assembly of the Province of Canada Canada.
