Wir Kinder Vom Bahnhof Zoo German Edition:

Television Drama from Germany Florian Krauß, 2024-08-01 This open access book examines how TV professionals in Germany have negotiated quality TV drama from 2015 to the present As practitioners have adapted quality TV a term most strongly associated with US series to their own national context they have simultaneously dealt with shifts in screenwriting and storytelling as well as with broader transformations of the local television industry As in other European countries in Germany this has included a crucial upheaval the emergence of various streaming services which has multiplied the television market As a systematic study of this changing fiction industry *Television Drama from Germany* will be of great interest to both academics and practitioners working both within and outside the German language television market

Teen TV Florian Krauß, Moritz Stock, 2025-05-13 Teen TV is booming Current youth series on streaming platforms are a clear indication of this but have so far received little attention in German language media studies This anthology provides a fundamental introduction to serial teen TV and takes a look at central case studies from 13 Reasons Why to DRUCK the German adaptation of the Norwegian transmedia youth drama SKAM In addition to the content and aesthetics of serial teen narratives it looks at their reception and production contexts

Beauty is in the Street Joachim C. Häberlen, 2023-10-05 A rich and readable account of left wing activism in the West and opposition to Soviet style communism in the East Katja Hoyer *The Spectator* A dream perhaps but one that still sounds worth fighting for even beautiful Stuart Jeffries *The Observer* An ambitious and masterly account of utopian protest in Europe Fast paced with an eye for telling detail and written with a light touch Robert Gildea In post war Europe protest was everywhere On both sides of the Iron Curtain from Paris to Prague Milan to Wroclaw ordinary people took to the streets fighting for a better world Their efforts came to a head most dramatically in 1968 and 1989 when mass movements swept Europe and rewrote its history In the decades between Joachim C H berlen argues new movements emerged that transformed the nature of

protesting Activism moved beyond traditional demonstrations from squatting to staging happenings and camping out at nuclear power plants People protested in the way they dressed the music they listened to the lovers they slept with the clubs where they danced all night New movements were born notably anti racism women s liberation gay liberation and environmentalism And protest turned inward as activists experimented with new ways of living and feeling from communes to group therapy in their efforts to live a better life in the here and now Some of these struggles succeeded others failed But successful or not their history provides a glimpse into roads not taken into futures that did not happen The stories in H berlen s book invite us to imagine different futures to struggle to fail and to try again In a time when we are told that there are no alternatives they show us that there could be another way [German Film. Global Perspectives on Re-entry Ikponwosa Ekunwe, Richard Statler Jones, 2011 Global Perspectives on Re Entry explores the challenges facing ex prisoners as they attempt to return to society after serving time in prison The problem of re entry is of growing interest to academics correctional professionals and policy makers who are concerned with high rates of incarceration and the increase in the numbers of prisoners caught up in the revolving door of criminal justice This book is the first attempt to explore the problem of re entry from an international perspective The focus of this book is on strategies utilized in various parts of the Western world that shed light on the struggles facing ex prisoners upon re entry as well as on the way different countries have attempted to solve these problems The book seeks to address the important set of issues involved by bringing together the best of recent research and ideas on the subject of desistance from crime around the world with a distinct focus on how research might impact upon the implementation of ex offender reintegration policies The book is divided into two sections The chapters in the first part Societal Institutional Perspective consider the societal and institutional issues in different countries The chapters in the second part of the book Perspective of the Ex Offender present various viewpoints of experts with first hand accounts of the re entry experiences of ex convicts Publisher's description

Culture from the Slums Jeff Hayton, 2022 Culture from the Slums explores the history of punk rock in East and West Germany during the 1970s and 1980s examining how youths mobilized music to build alternative communities and identities during the Cold War and detailing how punk became the site of historical change on both sides of the Iron Curtain

Soundtracks Stewart R. Craggs, 2019-05-03 First published in 1998 music scored for film has only relatively recently received the critical attention which it merits Many composers in the twentieth century have written works for films or documentaries a number feeling that this aspect of their output has been undervalued This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition Arranged alphabetically by composer the volume comprises over 500 entries covering all nationalities Each entry includes very brief biographical information on the composer followed by a list of the films with dates for which he or she has composed Details of recordings are also given The dictionary's international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth century music and the development of film

Art and the Historical Film Gillian McIver, 2022-11-17 Art and the Historical Film provides an important examination of fine art's impact on filmmaking grappling with the question of authenticity From Eugene Delacroix's interpretation of the 1830 French revolution to Uli Edel's version of the Baader Meinhof Gang artistic representations of historical subjects are appealing and pervasive Movies often adapt imagery from art history including paintings of historical events Films and art shape the past for us and continue to affect our interpretation of history While historical films are often argued over for their adherence to the facts their real problem is realism how can the past be convincingly depicted Realism in the historical film

genre is often nourished and given credibility by its use of painterly references This book examines how art historical images affect historical films by going beyond period detail and surface design to look at how profound ideas about history are communicated through pictures Art and the Historical Film Between Realism and the Sublime is based on case studies that explore the links between art and cinema including American independent Western Meek s Cutoff Kelly Reichardt 2010 British heritage film Belle Amma Asante 2013 and Dutch national epic Admiral Roel Rein 2014 The chapters create immersive worlds that communicate distinct ideas about the past through cinematography production design and direction as the films adapt reference and transpose paintings by artists such as Rubens Albert Bierstadt and Jacques Louis David
