1870 the population was on 1700 but fortunately for Dallas the accursed spirit of division which has blighted the fair prospects of many a young city was unknown here Great enterprises and boundless public spirit were stamped on every feature of the city Enterprise and industry have achieved results as startling as the wave of the magician s wand and in this atom of time has sprung up as if it were by magic a city with a population of 61 855 souls Nor has the march of development slackened but the watch word is still Onward and Dallas is ranked among the largest and most progressive cities of the South
