

JOAN GRANT
Winged Pharaoh
a far memory book

**"A book of fine
idealism, deep
compassion
and a spiritual
quality pure
and bright as
flame"**

—NEW YORK TIMES

Winged Pharaoh Joan Marshall Grant

Joan (Marshall) Grant

Winged Pharaoh Joan Marshall Grant:

Winged Pharaoh Joan Grant, 2007-08-28 As a child the astonishing Joan Grant became aware of her uncanny Far Memory the ability to recall past incarnations who had lived in long ago times and far flung places Her seven historical novels stand out for their vividness and rich detail For Joan these books were not works of the imagination but personal recollections of her previous lives In Winged Pharaoh Joan Grant tells the story of Sekeeta the Pharaoh's daughter The ancient Egyptians reserved the title of Winged Pharaoh for ruler priests who possessed extra sensory powers When Sekeeta demonstrates psychic abilities she is sent to the temple and trained to recall past lives Upon the death of her father she becomes a Winged Pharaoh both priestess and Pharaoh and leads her country with enlightenment The most famous of Joan Grant's Far Memory novels this book brings the grandeur beauty and mystery of ancient Egypt to life Upon Winged Pharaoh's original publication in 1937 the New York Times called it an unusual book that shines with fire **Joan Grant** Jean Overton Fuller, 1993

Winged Pharaoh Joan Grant, 1938 Winged Pharaoh Joan (Marshall) Grant, 1977 **Winged Pharaoh** Joan Grant, 1938 *The Winged Pharaoh* Joan Grant, 1974 **Reincarnation in America** Lee Irwin, 2017-07-31 Reincarnation in America An Esoteric History surveys the complex history of reincarnation theories across multiple fields of discourse in a pre American context ranging from early Greek traditions to Medieval Christian theories Renaissance esotericism and European Kabbalah all of which had adherents that brought those theories to America Rebirth theories are shown in all these groups to be highly complex and often disjunctive with mainstream religions even though members of conventional religions frequently affirm the possibility of rebirth As a history of an idea reincarnation theory is a current vital belief pattern that cuts across a wide spectrum of social cultural and scientific domains in a long complex history not reducible to any specific religious or theoretical explanation This book is cross disciplinary and multicultural linking religious studies perspectives with science based research it draws upon many distinct disciplines and avoids reduction of reincarnation to any specific theory The underlying thesis is to demonstrate the complexity of reincarnation theories what is unique is the historical overview and the gradual shift away from religious theories of rebirth to new theories that are therapeutic and trans traditional **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee, 1972 Far Memory Joan Marshall Grant, 2009-06 During the last twenty years seven books of mine have been published as historical novels which to me are biographies of previous lives I have known Far Memory is the autobiography of my first thirty years in the twentieth century From early childhood often to my extreme discomfort I was sometimes aware beyond the usual range of the five senses I tried to ignore the implications of this awareness but it was too insistent so in an attempt to understand what was happening I laboriously trained the faculty of far memory This book describes among other things how I did so and what happened to me as the result Twenty years ago a book was published that electrified the world a story set in ancient Egypt entitled Winged Pharaoh It was written by a young

woman called Joan Grant Now a book is published Far Memory which is Joan Grant s autobiography It tells how Winged Pharaoh came to be written It is the most touching most amusing most astonishing real life story I have ever read Nancy Spain London Daily Express

There is Only One Road and it Goes Everywhere Kathleen Phelan,2021-01-25 Kathleen Phelan nee Newton was utterly unique a female vagabond who embraced the freedom of the tramp lifestyle and philosophy Like the infamous women explorers of the Victorian era she traveled before as a single woman adventuring to every place on the planet funding her travels through canny bets on horseracing At age 26 in 1944 she met and married author and fellow tramp Jim Phelan who introduced her to his literary circle She tramped another 40 years after he passed roaming from continent to continent staying with Picasso in Spain playing football with Pele in Brazil and even telling her stories to the Shah of Iran Her magnetism attracted friends all over the world with whom she corresponded and kept entertained with lively letters We meet Kathleen here in her never before published memoir of her travels with husband Jim and her return to the road after his passing in 1966 Also included are personal correspondence and magazine articles written by Kathleen while on the road Her nephew Liam Phelan a senior journalist with the Sydney Morning Herald writes a moving and personal introduction
