Wings Of The Wind Wind Series Book 3:

Wings of the Wind (Out From Egypt Book #3) Connilyn Cossette, 2017-05-02 Cossette Consistently Brings the Old Testament to Life in an Engrossing Fresh New Way Alanah a Canaanite is no stranger to fighting and survival When her family is killed in battle with the Hebrews she disguises herself and sneaks onto the battlefield to avenge her family The one thing she never counted on was surviving Tobiah a Hebrew warrior is shocked to find an unconscious wounded woman among the Canaanite casualties Compelled to bring her to a Hebrew healer back at their camp he is soon confronted with a truth he can't ignore the only way to protect this enemy is to marry her Unused to being weak and vulnerable Alanah submits to the marriage for now As she comes to know and respect Tobiah and his people however she begins to second guess her plans of escape But when her past has painfully unanticipated consequences the tentative peace she's found with Tobiah the Hebrews and Yahweh is shaken to the core Can Alanah's fierce heart and strength withstand the ensuing threats to her life and all she's come to love

Weathering the Psalms Steve A. Wiggins, 2014-12-03 The weather is all around us all the time From ancient times people have attributed the weather to the work of the gods Ancient Israel shared this perception The book of Psalms reflects theologically significant views on the weather that have not until now been fully explored In this meteorological survey of the Psalms whimsically called meteorotheology every reference to the weather is translated in accordance with the known climate and weather of ancient Israel Each verse is discussed with particular attention to the function of the weather in the hymnal of ancient Israel This book will be a resource for translators clergy and scholars with an interest in how the weather impacted religious outlooks in ancient Israel Readers will learn that some expected associations such as thunder and lightning did not influence Israelite views on the natural world in the same way that they do today Yahweh was God of the weather and the Psalms frequently use this paradigm as a reason for both praise and fear of the Lord
