involving multiple problems any one of which could drive humanity to ruin This presents an urgent need and opportunity to create fundamental long term changes promising a sustainable future Like it or not this situation puts each of us living on Earth in a very special place in the history of humanity and our planet This special position demands our reflection wisdom courage and responsibility on a different level from that of previous generations For pandemics climate crises and other such problems threaten all our lives not only those of certain individuals or groups It is also because we cannot solve these problems while putting the interests of any individual group or nation first The key to solving the problems and challenges we face is coexistence Coexistence is not about just recognizing each other s equal right to exist in this world it is acting on the understanding that all life on Earth is interconnected Coexistence is not one of many but the only way we can thrive together in the long run More than any new technology or infrastructure we most desperately need this understanding and attitude to achieve a sustainable planet The conscience empathy and ability to reflect that we need to coexist harmoniously with one another are a natural part of ourselves Finding this part hidden within us and learning how to use it is a new art we should pursue and develop In this book Ilchi Lee in collaboration with Steve Kim describes the core concepts and principles of this art as well as methods for making use of them He also proposes plans for moving beyond the personal level to applying such ideas for social cultural and institutional change *The Divinely Sinful Saints* ITOTKO, 2023-08-31 Generally Christians believe that the scriptures in the Bible both the Old and the New Testaments are the words of God They believe God resides in heaven and human beings live on the planet Earth Then the question is in the beginning before the Bible says God created the heaven and the earth where had God lived Had he been homeless before he created heaven In the Old

Testament humans were required to offer some burnt offerings of a sweet savor a sacrifice made by fire and drink offerings Should we say God was homeless hungry and thirsty and that was why he created heaven humans and animals and required humans to offer burnt animals and drinks Many Bible readers believe Adam and Eve were in the Garden of Eden paradise and on the planet Earth But is that true Let us try to locate where the paradise is Revelation 2 7 tells us He that hath an ear let him hear what the Spirit saith unto the churches To him that overcometh will I give to eat of the tree of life which is in the midst of the paradise of God Now we know the tree of life is in the midst of the paradise of God Where else can we find the tree of life in the scripture Genesis 2 9 tells us And out of the ground made the LORD God to grow every tree that is pleasant to the sight and good for food the tree of life also in the midst of the garden Through these scriptures we can see that the tree of life is in the midst of the garden in the midst of the paradise of God not on the planet Earth The scriptures also tell us that Adam and Eve were there Could they be in physical human bodies in paradise on the planet Earth Paul wrote in 2 Corinthians 12 2 4 I knew a man in Christ above fourteen years ago whether in the body I cannot tell or whether out of the body I cannot tell God knoweth such an one caught up to the third heaven And I knew such a man whether in the body or out of the body I cannot tell God knoweth How that he was caught up into paradise and heard unspeakable words which it is not lawful for a man to utter Could a person be caught up into paradise if the paradise was on the planet Earth It was written in Luke 23 43 And Jesus said unto him Verily I say unto thee To day shalt thou be with me in paradise The him in this verse was one of the thieves crucified with Jesus Does any scripture tell us Jesus s resurrected physical body took the hand of the thief also in a physical human body Jesus must have resurrected the thief s physical human body too and led him into paradise someplace on this planet Earth No it does not Through all these verses do we still believe paradise is on this planet Earth
