Captain America ,2010-04-14 A midnight call to duty brings Captain America aboard the S H I E L D Heli carrier to identify the corpse of his most feared adversary the Red Skull The shocking murder of Cap s oldest enemy may not be the end of the Skull s plans however because whoever shot the Skull has stolen his final project an unfinished Cosmic Cube with the potential power to alter reality itself Adding to the imminent danger a cadre of the Skull s followers has already set in motion a plan to ignite bombs in the hearts of Paris London and Manhattan causing untold death and destruction Racing against these bombs rapidly ticking clocks the Star Spangled Avenger must not only solve the mystery of his nemesis murder but find the Cube before it can be used in the Red Skull s malevolent plot against the United States Then the questions plaguing Captain America s dreams and memories have been answered in the most brutal way possible And in the wake of this brutality General Lukin makes his first all out assault tearing open old wounds and threatening to make new scars that will never heal

The Virtues of Captain America Mark D. White, 2024-06-26 Learn how Captain America s timeless ethical code is just as relevant in the twenty first century as it was during the 1940s Captain America or simply Cap provides an example of the virtues that define personal excellence as well as the ideals and principles upon which the United States of America was founded In *The Virtues of Captain America* philosopher and long time comics fan Mark D White shows us that this fictional superhero s old fashioned moral code is exactly what we need today to restore kindness and respect in our personal and civic lives Presenting Captain America s personal morality within a

virtue ethics framework the book opens with an introduction to basic concepts in moral and political philosophy and addresses issues surrounding the use of fictional characters as role models The following chapters examine Captain America in detail exploring the individual virtues that Cap exemplifies the qualities that describe his moral character his particular brand of patriotism his ongoing battle with fascism his personal vision of the American Dream his moral integrity and sense of honor and much more Now in its second edition *The Virtues of Captain America* is updated to include all the new developments in Captain America's saga including new examples from the last ten years of Captain America's appearances in Marvel Comics New coverage of the recent Secret Empire storyline in which Captain America was brainwashed by the fascist organization Hydra features new sections examining the nature of fascism and how Captain America's character and virtues were affected by the change This edition also offers new material on Sam Wilson formerly Captain America's partner the Falcon who recently became Captain America himself and how his interpretation of the role compares to Steve Rogers Showing how we can be better people if we pay attention to the choices made by the Sentinel of Liberty *The Virtues of Captain America* Examines the moral and political philosophy behind 80 years of Captain America comics and movies in a light hearted often humorous tone Demonstrates that the core principles and judgment exhibited by Captain America in the 1940s remain relevant in the twenty first century Describes the basic themes of Captain America's ethics such as courage humility perseverance honesty and loyalty Illustrates how Captain America stands for the basic ideals of America not its politics or government Requiring no background in philosophy or familiarity with the source material the second edition of *The Virtues of Captain America* Modern Day Lessons on Character from a World War II Superhero remains a must read for everyone wanting to make ethical decisions in complex real world situations and tackle the personal and political issues of today with integrity and respect

Captain America Ed Brubaker, 2011-06-29 Six months ago Crossbones kidnapped the Red Skull's daughter Sin from a government re education facility and disappeared into the night Now he and his spawn of infinite evil have come to the American Midwest to tear a new hole in A I M but none of them counted on Cap and Agent 13 stumbling into the mix Collects Captain America 2004 15 21

A Philosopher Reads...Marvel Comics' Civil War Mark D. White, 2022-06-29 We love to see superheroes fight whether to protect innocent people from supervillains or to save the world But superheroes also fight each other and if we can look past the energy blasts and earth shattering punches we can find serious disagreements over principles and ethics This was certainly the case when Captain America and Iron Man went head to head over liberty and security in Marvel Comics epic Civil War storyline a fictional allegory to post 9 11 America as well as the basis for the third Captain America film In his latest book Mark D White author of *The Virtues of Captain America* and editor of *Iron Man and Philosophy* carefully leads you through the ethical thinking of the three characters on the front lines of the Civil War Iron Man Captain America and Spider Man In his characteristically light and humorous tone White lays out the basic ethical foundations of each hero's thinking and highlights the moral judgment each must use to put his ethics

into action But also how conflicting principles such as liberty and security must be balanced in the real world lest both be lost Written in a style that will be easily accessible to everyone A Philosopher Reads Marvel Comics Civil War will be a fascinating read for diehard comic fans and philosophy buffs as well as those looking for a simple introduction to philosophical ethics

Captain America and the American Journey, 1940-2022 Richard A. Hall, 2024-02-28 Captain America made his debut in 1940, just two years behind the first comic book superheroes and five years before the United States' emergence as the world's primary superpower at the end of World War II. His journey has been intertwined with America's progress throughout the decades. Known as the Sentinel of Liberty, he has frequently provided socio-political commentary on current events as well as inspiration and warnings concerning the future. This work explores the interconnected histories of the United States and Captain America, decade by decade, from the character's origins to Chris Evans' portrayal of him in the Marvel Cinematic Universe. It examines how Captain America's story provides a guide through America's tenure as a global superpower, holds a mirror up to American society, and acts as a constant reminder of what America can and should be. **Marvel's Captain**

America: The First 80 Years Titan Comics, 2021-07-13 Eighty years ago, as the free world was threatened by fascism, a Super Hero was created to boost morale, offering a symbol of hope. Created by master storytellers Joe Simon and Jack Kirby, Captain America wore the colors of the bold red, white, and blue of the American flag. This deluxe volume explores Captain America's adventures, decade by decade, as he is reinvented in the 1960s by Kirby himself and Stan Lee to become a modern symbol of justice. With vintage art from the Marvel vaults and profiles of the creators behind the icon, this special tribute presents a unique guide to one of Marvel's most enduring heroes. **The Field #2** Ed Brisson, 2014-05-14 The Smoke Eaters
