Property Worldwide ,2000 **Intellectual Property in Global Governance** Chidi Oguamanam, 2013-03-01 Intellectual Property in Global Governance critically examines the evolution of international intellectual property law making from the build up to the TRIPS Agreement through the TRIPS and post TRIPS era The book focuses on a number of thematic intellectual property issue linkages exploring the formal and informal institutional interactions and multi stakeholder holder intrigues implicated in the global governance of intellectual property Using examples from bio technology bio diversity bio prospecting and bio piracy it investigates the shift or concentration in the focus of innovation from physical to life sciences and the ensuing changes in international intellectual property law making and their implications for intellectual property jurisprudence It examines the character of the reception resistance and various nuanced reactions to the changes brought about by the TRIPS Agreement exploring the various institutional sites and patterns of such responses as well as the escalation in the issue linkages associated with the concept and impact of intellectual property law Drawing upon multiple methodological approaches including law and legal theory regime theory globalization and global governance Chidi Oguamanam explores the intellectual property dynamics in the Global Knowledge Economy focusing on digitization and information revolution phenomenon and the concept of a post industrial society The book articulates an agenda for global governance of intellectual property law in the 21st century and speculates on the future of intellectual property in North South relations **Research Handbook on the World Intellectual Property Organization** Sam Ricketson, 2020-08-28

2020 marks the 50th year of the coming into force of the World Intellectual Property Organization WIPO Convention 1967 and the formal establishment of WIPO This unique and wide ranging Research Handbook brings together eminent scholars and experts who assess WIPO s role and programmes during its first half century as well as discussing the challenges facing the organization as it enters its second **Export America** ,2002 *Piracy and the State* Martin Dimitrov, 2009-09-07 In this original study of intellectual property rights IPR in relation to state capacity Dimitrov analyzes this puzzle by offering the first systematic analysis of all IPR enforcement avenues in China across all IPR subtypes He shows that the extremely high volume of enforcement provided for copyrights and trademarks is unfortunately of a low quality and as such serves only to

perpetuate IPR violations In the area of patents however he finds a low volume of high quality enforcement In light of these findings the book develops a theory of state capacity that conceptualizes the Chinese state as simultaneously weak and strong The book draws on extensive fieldwork in China and five other countries as well as on 10 unique IPR enforcement datasets that exploit previously unexplored sources including case files of private investigation firms The World Intellectual Property Organization (WIPO) Carolyn Deere Birkbeck,2016-03-25 As a Specialized Agency of the UN the World Intellectual Property Organization aims to be the premier global forum for intellectual property services policy information and cooperation Whilst many individuals firms institutions and governments know and use WIPO services the ways in which it functions how priorities are set and decisions made are less well understood Indeed a diversity of WIPO s stakeholders and member governments express frustration that WIPO s governance is not only complex but at times opaque This practical guide offers a unique insight into how WIPO is governed described in clear readily accessible terms for policymakers scholars and stakeholders The guide reviews the origins of WIPO and sets out its current functions and activities presenting a framework for analysing WIPO s complex governance system The core of the text will improve the reader s understanding of WIPO in five thematic areas Legal foundations mandate and purpose Decision making structures processes and practices Financial arrangements such as income sources and the budget process Mechanisms for accountability and control of the Secretariat such as policies on oversight audit and evaluation Transparency and external relations The text is accompanied by a number of valuable appendices including key documents that have to date not been readily available to the public Written by a leading WIPO commentator The World Intellectual Property Organization WIPO A Reference Guide is the first comprehensive reference book to illuminate the nuts and bolts of WIPO governance It will prove an invaluable and handy resource for those who interact with WIPO on any level as well as to researchers seeking an introduction to how the organisation works

Harry Potter's World Wide Influence Diana Patterson,2009-10-02 The Harry Potter series forms a single epic story that has been published in nearly 70 languages and has been examined in a large number of disciplines This collection of essays contributes to the scholarly discourse that forms Potter Studies These essays take on the consideration of Rowling s work as being worthy of study as a phenomenon and influence as well as a work of literary value They add genuine statistical information about the reasons for the books popularity consider their effects on child readers and examine some deep rooted reasons for their having been manipulated in American publishing in film adaptations in musical complements and in their thingification in popular culture around the world Some of these essays take on the critics of the books religion and considerations of psychological as well as philosophical good and evil and well as some stylistic anomalies The fact that scholars from China Germany Poland Romania and Israel in addition to English speaking nations have felt compelled to examine these books in detail testifies in part to Harry Potter s world wide influence **The Oxford Handbook of International Cultural Heritage Law** Francesco Francioni,Ana Filipa Vrdoljak,2020-07-30 This Handbook provides a

cutting edge study of the fast developing field of international law on the protection of cultural heritage by taking stock of the recent developments and of the core concepts and current challenges The legal protection of cultural heritage has come under renewed focus from the international community and states since the 1990s This is evidenced by the adoption of a range of international instruments Countries are also enacting cultural heritage legislation or overhauling existing laws within their own national territory Contributions address the protection of immovable and movable tangible and intangible cultural heritage in peacetime and in the event of armed conflict as well as the interaction between specific regimes of cultural heritage protection with other fields of international law including international criminal law human rights and humanitarian law environmental law international trade investments and intellectual property The last part of the Handbook covers diverse regional systems of heritage protection

Education, Values and Ethics in International Heritage Jeanette Atkinson, 2016-04-29 The changing and evolving relationship between museums and communities Indigenous ethnic and marginalized has been a primary point of discussion in the heritage sector in recent years Questions of official and unofficial heritage whose artefacts to collect and exhibit and why have informed and influenced museum practice Developing from this a key issue is whether it is possible to raise awareness of differing cultural

perspectives values and beliefs and incorporate this into the education and training of heritage professionals with the aim of making cultural awareness an integrated and sustainable core part of future heritage training and practice This book discusses perceptions of values and ethics authenticity and significance and documents the historical heritage and education context in North America Scandinavia and the United Kingdom with a particular emphasis on Aotearoa New Zealand The author explores whether it is possible to learn respect for differing cultural perspectives through the undertaking of educational programmes identifies various approaches that could complement the development of students and professionals in the cultural heritage and preservation sectors and offers a means of actively engaging with cultural and professional values through a Taxonomy for Respecting Heritage and Values

European Yearbook of International Economic Law

2013 Christoph Herrmann, Markus Krajewski, Jörg Philipp Terhechte, 2013-04-02 Part one of Volume 4 2013 of the European Yearbook of International Economic Law offers a special focus on recent developments in international competition policy and law International competition law has only begun to emerge as a distinct subfield of international economic law in recent years even though international agreements on competition co operation date back to the 1970s Competition law became a prominent subject of political and academic debates in the late 1990s when competition and trade were discussed as one of the Singapore issues in the WTO Today international competition law is a complex and multi layered system of rules and principles encompassing not only the external application of domestic competition law and traditional bilateral co operation agreements but also competition provisions in regional trade agreements and non binding guidelines and standards Furthermore the relevance of competition law for developing countries and the relationship between competition law and public services are the subject of heated debates The contributions to this volume reflect the growing diversity of the issues and elements of international competition law Part two presents analytical reports on the developments of the regional integration processes in North America Central Africa and Southeast Asia as well as on the treaty practice of the European Union Part three covers the legal and political developments in major international organizations that deal with international economic law namely the IMF WCO WTO WIPO ICSID and UNCTAD Lastly part four offers book reviews of recent works in the field of international economic law
