failure to failure without loss of enthusiasm If that is true then Neil is a success story because his love and enthusiasm for Pattaya and its people has not diminished over the years The highs lows ups downs laughter and tears portray a convincing analysis of the human condition As Neil says Pattaya is to a writer what a room full of fruit bowls is to an artist The last story Footprints in the Sand is a particularly poignant tale of just how the city can affect its visitors and guests even those who should know better Written with his heart firmly on his sleeve it proves that no matter how smart we think we are or how old we get we just never learn This tale is a must read for any foreign male contemplating a long term liaison with a Thai lady

**Asiatic Moments** Al Culler, Bangkok in the late eighties through to the new century humming with energy and potential not yet ruined by the internet hordes Al Culler managed to secure an easy gig in the city that meant he could spend most of his time in the crazy neon zone and used his visa trips to explore other cities in the region He was later rudely ejected from paradise but it took some serious madness to get to that point *The Enemy Within* Noel Hynd,2006-03-07 It is early summer of 2009 an uneasy time in the American capital Washington is tense over a showdown between the United States and the new ruler of Libya Laura Chapman is a U S Secret Service agent assigned to the White House She is quirky solitary and frequently unorthodox She is sexy and fit adept with a pistol as well as with a hundred pound Everlast bag But she is also

a brilliant intelligence analyst That s why she has been assigned to the Presidential Protection Detail for the past eleven years The CIA assigns Laura to a case that borders on the unthinkable an assassination plot against the new president Shockingly the trigger man will be a member of the United States Secret Service Since the CIA knows that the assassin is male Laura is not a suspect The odds are heavily against her locating an alleged assassin within the Service and even more heavily against her surviving the assignment Beyond that problems abound First because of her age and gender members of the Service as well as agents in the CIA and FBI are waiting for her to fail Second Laura s personal life is in disarray and her secret drinking is about to get out of hand Third the hit is scheduled to take place on July 4 2009 in the Oval Office Less than two weeks from now As her investigation proceeds Laura cannot shake the suspicion that there are things she has not been told that she is being set up In her increasingly frequent moments of paranoia she wonders Am I going to be the new Lee Harvey Oswald
