Life's A Drag! Peter Underwood, 1974 While it is true that there have been forms of drag both private and public since earliest times as a form of modern entertainment drag in recent years has developed into a phenomenon which is now a world wide multi million pound entertainment industry in itself This penetrating study giving a depth background of the world drag scene is however primarily a book about one drag artist the hugely successful Danny La Rue himself a veritable Industry of Drag and unquestionably the highest paid performer of his type in the world Strangely no one has previously written a book about Danny la Rue probably because he is a very private person despite his huge public persona To write this work Peter Underwood the well established author of the highly successful Boris Karloff biography and other books researched widely and interviewed nearly seventy people close to the drag star people who have worked with Danny la Rue both on and off stage over many years The result is this absorbing story of a unique star which intimately surveys the life and work of the Irish Danny la Rue He started on the stage in a village hall later joined the Navy at 17 and became in turn a window dresser chorus boy and then left the stage to work in a shop returning to the theatre and the chorus to become a dancer and drag artist in an all male show which he left because he couldn't stand it He was eventually spotted

in a small revue at London's Irving Theatre and offered his big chance in cabaret at Bond Street's Churchill Club. So began the real success story of the fabulous Danny la Rue: a succession of successes. His own exclusive night club recordings, countless pantomime hit shows, two Royal Command Performances, his first film, his three homes, three cars, greyhounds and racehorses, his hugely successful summer seasons, television appearances, and the acclamation by the Variety Club of Great Britain as Show Business Personality of The Year. Surrounding the story of the inimitable Danny la Rue is a vivid examination of the Drag Scene which has projected Danny's success, how it has become a major entertainment phenomenon in top theatres, on TV, films, and in pubs and clubs throughout the world. Author Underwood relevantly appraises the lure of drag, the pleasures and the pain, the hard work, the dangers, and the impact of what is daily becoming an ever-growing phenomenon of the twentieth century's Permissive Age.

The Game Changer Philip Pallette, 2005-03-11 Hank the nimble, Hank the quick, Hank the human corkscrew, Hank as fast as light, Hank the rubber-boned man wrote Roy Cummings after seeing a 19-year-old Hank Luisetti perform for the first time in 1936. Cummings sat alone in a deserted gym, trying to describe to his readers what he had just witnessed on the basketball court. Luisetti, who learned the game to a background chorus of fog horns and gulls on San Francisco Bay, would later that year introduce New York's basketball legions to the jump shot. Now Philip Pallette has created a riveting account of the basketball life of this eminently shy and decent young man who transformed Stanford basketball from a group of fun-loving dabblers into national champions. *The Game Changer* is a book that rediscovers the long forgotten adulation basketball fans felt for Luisetti by tracing his journey from boyhood on to becoming basketball's first matinee idol and the man who changed basketball forever.
