The Spirit of Jesus Unleashed on the Church Ron Clark,2016-01-05 The Spirit of Jesus Unleashed on the Church is the third book in a series concerning the restoration of Jesus people in a world where the marginalized classes longed for reconciliation to God After Jesus ascension the early Christians fulfilled Luke s epic theme of restoration in their new empire inclusion of outcasts and endurance during the resistance As Jesus journeyed to Jerusalem so Paul and the mission of God followed the journey to the capital of the Roman world God s people today are likewise empowered by the Spirit to boldly live their mission for Jesus through love compassion and endurance in cultures that marginalize those who need God s reconciliation

Intimate Partner Violence in the Black Church Carlos Jermaine Richard,2017-07-07 Intimate Partner Violence IPV or Domestic Violence DV continues to be a perennial issue in the Black church and Christendom as a whole Women in the church continue to experience violence at increased rates but leadership has been delayed in providing a meaningful response to IPV as families experience the turmoil of abuse Further more and more children suffer from the trauma of family violence that perpetuates as males who witness IPV have a greater susceptibility of becoming abusers and females who witness abuse are put in risk of choosing abusers in relationships The church must now become the leading change agent in the struggle to reduce and end family violence by addressing the heart of the issue the pulpit namely male leaders in the church who abuse their wives and hide behind the scripture text The

church must expose the biblical truth regarding marriage and relationships and embed policy within the by laws of the church that provide victims and survivors with opportunities for confidential reporting resources when they are ready to leave and on going support for women who desire to transition from abuse to survivorship **Jesus Unleashed** Ron Clark,2014-01-03 Luke's narrative of Jesus was presented to Christians who had already heard and read stories of Jesus and the birth of this new movement Christianity Luke seemed to rewrite the story of Jesus similar to ancient epics of the history of a nation a movement and the tale of a hero Jesus and the church emerged in occupied Judea a nation that was not only oppressed but was in exile Occupied Judea however struggled for power and honor and in turn for marginalized people who needed God Jesus the epic hero journeyed to earth and Jerusalem to free those on the margins of society This epic story lives on today in a church that also has heard the story of Jesus but has forgotten that the friend of sinners calls Christians to also reach those who are marginalized by our occupied culture Luke invites Christians to emerge as a movement that seeks and saves those ostracized by our communities **Reflections from the Marriage Table** Ron Clark,Lori A. Clark,2016-11-01 In the midst of hectic and fast paced families one stable element that can bring grace love and joy is the table Biblically the table was a place of mercy unity and hospitality Marriage also is a uniting of male and female to complement and partner to create a new family ministry and community When the marriage table becomes a central element sacred and safe spaces are created for individuals couples and families to thrive and mature as God intended Ron and Lori Clark share their experiences as a couple in ministry working with family violence and creating safe spaces for their marriage and children to mature and develop healthy self esteem This book with discussion questions is designed to help couples find partnership peace and grow together in relationship and love whether in ministry or simply seeking to be who God called them to be **Am I Sleeping with the Enemy?** Ron Clark,2010-07-01 When a boy cries his father trains him in the way of the ancients He is taught to man up and rejects anything feminine in his life Thus he begins the process of becoming a man in the image of his culture This transformation comes at the expense of his own calling to reflect the image of God Men and women however were both created in this divine image and were meant to live in harmony rather than enmity Recently influential Christian writers and leaders have suggested that men have become too feminized and need to return to their calling to be real men Clark believes that this new masculinity is in reality a return to the way of the ancients Drawing from his experiences as a minister domestic and sexual violence prevention advocate and community leader Clark suggests that Jesus came to redefine masculinity and resist the cultural view of manhood power and oppression *The God of Second Chances* Ron Clark,2012-09-13 When the people of Judah were taken captive by the Babylonians their world was drastically changed While in exile they experienced shame guilt fear and displacement However their God had been traumatized by their behavior and also grieved with them Yet Yahweh gave them a second chance by forgiving them and bringing them home God offered them hope mercy and love The prophets were God's chosen messengers not only to provide a new vision of what could be but to suffer with the people These

servants were caught in the middle between a passionate God and traumatized people As the people returned to Jerusalem to rebuild their city and their lives the prophets were with them to remind them that God had not abandoned them The author suggests that the prophets live on today through the church as those who engage their community fight for people's hearts and remind others that God gives second chances Clark shares stories from his personal ministry to the marginalized in Portland Oregon who seek relief from shame suffering and hopelessness In this hope our community receives new vision through a loving God and persistent prophets *Holman New Testament Commentary - 1 & 2 Corinthians* Richard L., Jr.

Opsahl, 2001-07-31 In the midst of today's change and reform Christians everywhere are rediscovering the tremendous vitality that results from the continuing activity of the Holy Spirit in individual lives and in church bodies In *The Holy Spirit in the Life of the Church* experts in the area of biblical historical and doctrinal theology describe this expanding awareness of the Spirit's renewing work The doctrine of the Holy Spirit is reexamined and a sound rationale is provided for the Spirit's continuing activity throughout and beyond the church

Introducing the New Testament Joe Blair, 1994-06-07 Helps students understand the New Testament by introducing its contents and principles for its interpretation **The Immortality Key** Brian C. Muraresku, 2020-09-29 THE NEW YORK TIMES BESTSELLER As seen on The Joe Rogan Experience A groundbreaking dive into the role psychedelics have played in the origins of Western civilization and the real life quest for the Holy Grail that could shake the Church to its foundations The most influential religious historian of the 20th century Huston Smith once referred to it as the best kept secret in history Did the Ancient Greeks use drugs to find God And did the earliest Christians inherit the same secret tradition A profound knowledge of visionary plants herbs and fungi passed from one generation to the next ever since the

Stone Age There is zero archaeological evidence for the original Eucharist the sacred wine said to guarantee life after death for those who drink the blood of Jesus The Holy Grail and its miraculous contents have never been found In the absence of any hard data whatever happened at the Last Supper remains an article of faith for today s 2.5 billion Christians In an unprecedented search for answers The Immortality Key examines the archaic roots of the ritual that is performed every Sunday for nearly one third of the planet Religion and science converge to paint a radical picture of Christianity s founding event And after centuries of debate to solve history s greatest puzzle Before the birth of Jesus the Ancient Greeks found salvation in their own sacraments Sacred beverages were routinely consumed as part of the so called Ancient Mysteries elaborate rites that led initiates to the brink of death The best and brightest from Athens and Rome flocked to the spiritual capital of Eleusis where a holy beer unleashed heavenly visions for two thousand years Others drank the holy wine of Dionysus to become one with the god In the 1970s renegade scholars claimed this beer and wine the original sacraments of Western civilization were spiked with mind altering drugs In recent years vindication for the disgraced theory has been quietly mounting in the laboratory The constantly advancing fields of archaeobotany and archaeochemistry have hinted at the enduring use of hallucinogenic drinks in antiquity And with a single dose of psilocybin the psychopharmacologists at Johns Hopkins and NYU are now turning self proclaimed atheists into instant believers But the smoking gun remains elusive If these sacraments survived for thousands of years in our remote prehistory from the Stone Age to the Ancient Greeks did they also survive into the age of Jesus Was the Eucharist of the earliest Christians in fact a psychedelic Eucharist With an unquenchable thirst for evidence Muraresku takes the reader on his twelve year global hunt for proof He tours the ruins of Greece with its government archaeologists He gains access to the hidden collections of the Louvre to show the continuity from pagan to Christian wine He unravels the Ancient Greek of the New Testament with the world s most controversial priest He spelunks into the catacombs under the streets of Rome to decipher the lost symbols of Christianity s oldest monuments He breaches the secret archives of the Vatican to unearth manuscripts never before translated into English And with leads from the archaeological chemists at UPenn and MIT he unveils the first scientific data for the ritual use of psychedelic drugs in classical antiquity The Immortality Key reconstructs the suppressed history of women consecrating a forbidden drugged Eucharist that was later banned by the Church Fathers Women who were then targeted as witches during the Inquisition when Europe s sacred pharmacology largely disappeared If the scientists of today have resurrected this technology then Christianity is in crisis Unless it returns to its roots Featuring a Foreword by Graham Hancock the NYT bestselling author of America Before
