The Bhagavad Gita Lives Of Great Religious S A Biography:

The Bhagavad Gita Richard H. Davis, 2014-10-26 The life and times of India's most famous spiritual and literary masterpiece The Bhagavad Gita perhaps the most famous of all Indian scriptures is universally regarded as one of the world's spiritual and literary masterpieces Richard Davis tells the story of this venerable and enduring book from its origins in ancient India to its reception today as a spiritual classic that has been translated into more than seventy five languages The Gita opens on the eve of a mighty battle when the warrior Arjuna is overwhelmed by despair and refuses to fight He turns to his charioteer Krishna who counsels him on why he must In the dialogue that follows Arjuna comes to realize that the true battle is for his own soul Davis highlights the place of this legendary dialogue in classical Indian culture and then examines how it has lived on in diverse settings and contexts He looks at the medieval devotional traditions surrounding the divine character of Krishna and traces how the Gita traveled from India to the West where it found admirers in such figures as Ralph Waldo Emerson Henry David Thoreau J Robert Oppenheimer and Aldous Huxley Davis explores how Indian nationalists like Mahatma Gandhi and Swami Vivekananda used the Gita in their fight against colonial rule and how contemporary interpreters reanimate and perform this classical work for audiences today An essential biography of a timeless masterpiece this book is an ideal introduction to the Gita and its insights into the struggle for self mastery that we all must wage

[Psychological Perspectives on Identity, Religion and Well-Being](#) Preeti Kapur, Girishwar Misra, Nitin K. Verma, 2022-07-12 This book takes a social psychological perspective to study the ways in which identity religious beliefs and well being are related to and affect each other in the contemporary world It simultaneously draws upon intellectual resources from the extant interdisciplinary literature to build connections within the broader societal context In view of the social diversity and changes in post globalization India issues of identity religion and well being emerge as dynamic and vibrant aspects of social reality in both individual and group contexts across age groups and genders The current social cultural political scenario in the India therefore points to the need to investigate the outcome of personal and social well being in relation to identity and religion As contexts change these issues take different shades and influence human conditions differentially This book undertakes the investigation by going beyond the

traditional tropes of behavioral science and discussing the dynamic interplay and confluence of socio cultural political variables in changing times It draws from a large sample from the four major religious faiths in India Hinduism Islam Christianity and Sikhism and enables readers to understand significant interactions among facets of identity personal and social religious beliefs and practices and well being personal and social with age and gender in an important segment of the global population The Missionary Review ,1928 **The American Missionary** ,1928 Vols 13 62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869 1908 v 38 62 include abridged annual reports of the Society s Executive committee 1883 84 1907 1908 **Missionary Review of the World** ,1928 **The Missionary Review of the World** ,1929 **The New Schaff-Herzog Encyclopedia of Religious Knowledge** Johann Jakob Herzog,Albert Hauck,Samuel Macauley Jackson,Charles Colebrook Sherman,George William Gilmore,1909 **A God of One's Own** Ulrich Beck,2010-09-14 Religion posits one characteristic as an absolute faith Compared to faith all other social distinctions and sources of conflict are insignificant The New Testament says We are all equal in the sight of God To be sure this equality applies only to those who acknowledge God s existence What this means is that alongside the abolition of class and nation within the community of believers religion introduces a new fundamental distinction into the world the distinction between the right kind of believers and the wrong kind Thus overtly or tacitly religion brings with it the demonization of believers in other faiths The central question that will decide the continued existence of humanity is this How can we conceive of a type of inter religious tolerance in which loving one s neighbor does not imply war to the death a type of tolerance whose goal is not truth but peace Is what we are experiencing at present a regression of monotheistic religion to a polytheism of the religious spirit under the heading of a God of one s own In Western societies where the autonomy of the individual has been internalized individual human beings tend to feel increasingly at liberty to tell themselves little faith stories that fit their own lives to appoint Gods of their own However this God of their own is no longer the one and only God who presides over salvation by seizing control of history and empowering his followers to be intolerant and use naked force *Dictionary of National Biography* Leslie Stephen,1959 *GANDHI: My Experiments With Truth - Autobiography* Mohandas K.
