## **The Billionaires Heart The Silver Cross Club English Edition:**

*The Billionaire's Heart (The Silver Cross Club, #4)* Bec Linder, 2014-11-05 Sadie Bayliss needs to get her groove back. Still mourning the loss of her fiancé, she hits rock bottom when she's unexpectedly fired from her job. She needs a new job ASAP and so she accepts a short-term contract job with a friend of a friend, the wealthy and aloof Elliott Sloane. He's trouble. Despite Sadie's best efforts to keep their relationship professional, things get unprofessional fast. But Elliott has his own painful secrets that threaten to unravel everything they're working toward. To move forward into the future together, they both need to leave the past behind. Note: While this book is set in the same universe as previous books in the series and shares some of the same characters, it doesn't take place at the club.

*Hurricane Move* Bec Linder, 2016-01-05 The lead singer of the Saving Graces, charismatic and reckless Andrew Holter, has plenty of problems. As the band's tour manager, Rushani is intimately acquainted with pretty much all of them. She knows she should stay away. Far, far away. But Andrew's charm and creative genius, not to mention those shoulders, make him hard to resist. Rushani has worked hard to get where she is, and she won't do anything to jeopardize her career. She certainly won't fall in love with Andrew. Oops. Too late. After years of unrequited feelings, she's ready to finally move on with her life. But life on tour is a pressure cooker, and things rarely go as planned. An international tour, a prying reporter, and an unexpected confession bring to light secrets that Andrew has long kept buried. Soon Rushani faces an impossible choice between the career she's always wanted and the man she can't get out of her head.

*Wild Open* Bec Linder, 2015-09-05 Leah was born to be on stage. After her band broke up under tragic circumstances, she thought she would never perform again. When she gets a second chance as the fill-in for a big-time rock band whose bassist just quit mid-tour, it's a dream come true. There's just one problem: she unknowingly hooked up with the band's sexy guitarist at a dive bar the night before. O'Connor is funny, charming, dangerously appealing, and now completely off-limits. Leah's determined to keep things professional. Giving in to their simmering sexual tension isn't an option. But as the band's internal problems get worse and worse, falling into O'Connor's bed seems better and better.
