The Gift of Intuition Janeah Rose, 2013-11-27 Drawing from the pages of her many private diaries and journals Janeah Rose an intuitive consultant and healer shares stories of her life her clients and her gifts Written with candour and humour her memoirs start with her own tale When she was a child her family began to notice the young girls innate intuitive abilities and wisely nurtured them Janeahs story would be incomplete without the stories of the clients who have become friends over the years Their gratitude inspires her own she thanks each of these people who have shared their lives and loved ones with her By inviting her into their private worlds they have enriched hers as well Throughout the years she has helped them recognise the need to change their life path sometimes with the support of loved ones who have passed over Filled with true

stories that are by turns uncanny unbelievable and heartwarming Janeahs memoir explores metaphysics from all dimensions Even in the midst of uncertainty challenges and obstacles she has used her extraordinary gifts of intuition visions and spirit guides along with her inner voice to help people get back on track and on a path to discover their own purpose and gifts With certainty clarity and hope she explores how embracing such an unexpected path can empower anyone willing to take the journey to self discovery *The Unofficial Guide to the Disney Cruise Line 2019* Erin Foster,Len Testa,Ritchey Halphen,2018-12-25 Your no nonsense consumer oriented guide to Disney s Cruise Line The Unofficial Guide to the Disney Cruise Line by Len Testa with Erin Foster Laurel Stewart and Ritchey Halphen describes the best of Disney s ships and itineraries including a couple of stellar restaurants top notch children s activities and Castaway Cay one of the best vacation islands in the Caribbean The book also lists which on board entertainment and restaurants should be skipped including recommendations on what to do instead Along the way this indispensable travel companion shows how to save money choose the right stateroom ship and itinerary and get to and from the cruise with ease The guide also provides full coverage of the Disney run European river cruises and includes itinerary and port guides **Broken Music** Sting,2009-10-14 Sting s gift for prose and reverence for language nearly the equal of his musical gifts shine on every page Even when Broken Music addresses the quixotic life of an aspiring rock roller it reads like literature from a more rarified time when adults didn t condescend to the vulgarities of pop culture Rolling Stone Having been a songwriter most of my life condensing my ideas and emotions into short rhyming couplets and setting them to music I had never really considered writing a book But upon arriving at the reflective age of fifty I found myself drawn for the first time to write long passages that were as stimulating and intriguing to me as any songwriting I had ever done And so Broken Music began to take shape It is a book about the early part of my life from childhood through adolescence right up to the eve of my success with the Police It is a story very few people know I had no interest in writing a traditional autobiographical recitation of everything that s ever happened to me Instead I found myself drawn to exploring specific moments certain people and relationships and particular events which still resonate powerfully for me as I try to understand the child I was and the man I became
