combines everything I love in fantasy I ve never been a fan of slow moving fantasy books I prefer a little bit more action and adventure in my stories At the same time I love banter between characters I m a big fan of the biting comments characters can make to one another as they face down danger Those kinds of books aren t all that common It s fairly rare to find fast moving action and comedy in the fantasy genre So I set out to write a series that I would want to read Q There are a lot of characters in these books A There sure are In the first book we follow Tondbert's coming of age dealing with his loss At the same time Osric is out for a kind of justice he s having trouble finding in a world ruled by nobles The rest of the books in the series follow more characters quite a lot of whom are women I love strong female lead characters in books so that was something else I wanted to make sure of Along with some romance for good measure In the six books I think I ve pulled in every type of character I could think of Tondbert for example is dark skinned because I hadn t read many or any books with black main characters It made no sense to me that fantasy characters always seem to be Caucasian Since it s a fantasy setting I saw no reason not to add a bit of diversity Q Should the books be read in order A While I ve tried to setup each book so it can be read individually I d recommend reading them in order Each books tells its own story but the events of one do affect the next So I d recommend The Bite on the Line The Bite of Minds The Bite of Death The Bite of Forest Dark The Bite of Rust The Bite of a King O Why should readers give these books a try A The Bytarend books are ideal for anyone who wants to try some fast moving action oriented fantasy I ve had emails from readers saying they don t normally read fantasy but they loved these books With the first one on special offer there s no reason not to give it a go Thanks for reading Collection Simon Cantan, 2015-08-24 Bytarend a mountain town plagued with problems From the magical lifeleeches sucking the life from its citizens to the monsters in the forests around it things are never easy for the people in Bytarend Follow all of the adventures in this huge collection of fantasy adventure books All for a substantially reduced price Included in the collection The Bite on the Line Clinging to the bar running along the front of the platform Sergeant Osric has a lot of time to think about how he got there About how he s shooting through a forest on a rocket powered railcar About how a grinning thief is clinging to the same bar beside him Most of all though about how he s heading for Bytarend a town no one has heard from in almost a hundred years There has to be a reasonable explanation for their silence after all Osric tries to think of a reason that doesn t end in his horrible death he can t come up with one The Bite of Minds Tondbert and Isabelle have found the cutest most adorable little creatures out in the forest They re fluffy harmless little bundles of fuzz So why do people and livestock back in Bytarend keep turning up dead The Bite of Death Lila Deadwhisper is an assassin Trained from the age of four she costs a king s ransom to hire for a reason She never fails and she just got a new contract to assassinate Tondbert Payne The Bite of Forest Dark Jenni Styrm is staring down at a town with a dark shadow over it Caedin Tegart scourge of Graefditch has just arrived by train to pull Bytarend back under the duke s rule Tegart is vicious with a roving eye for the younger women of the town No one can stand against him and live The Bite of Rust At the top of a high mountain on the edge of a vast desert the Fortress of Rust waits The home of the greatest assassins in the world no one knows their secret Every fourth year they take in a hundred four year old girls and turn out one master assassin The assassins of the fortress topple kings move borders and end dynasties with their skills The Bite of a King Lila Tondbert Isabelle Jenni and Osric have a problem King Tallon Tyre has heard of their rebellion and he s not a man to cross He s bringing an army of twelve thousand to crush them all to drive them so deep into the dust no one will even remember they were there Warning This paperback is very large at 809 pages and 17 78cm X 25 4cm 8in X 10in
