**The Christian Literary Imagination** Michael Scott, Michael J. Collins, 2024-09-24 What is the Christian literary imagination That question was put to the writers who have contributed to this collection of essays They were asked in answering it to choose and write about a work of literature that seemed to them to illustrate one of the varied

ways in which the Christian imagination sees the world to define by example the meaning of the term A variety of beliefs or indeed unbeliefs are expressed by the contributors and authors they selected to discuss But what the essays have in common is an inquiry into the nature of belief and the means by which the reader's imagination can itself be stirred through the work of the author under discussion The book is structured chronologically with essays on literature ranging from Anglo Saxon England to 21st Century America but the contributors show a freedom of movement and reference across the centuries in their essays sometimes deliberately juxtaposing the historical with the contemporary What emerges from the collection is a shared inquiry into the enduring Christian vision of God's engagement with the world Publisher and Bookseller ,1898 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series *A Treatise on Criminal Law* Francis Wharton,1912 **The Bookseller and the Stationery Trades' Journal** ,1898 Official organ of the book trade of the United Kingdom **The Broadview Anthology of British Literature Volume 1: The Medieval Period - Revised Third Edition** Joseph Black,Leonard Conolly,Kate Flint,Isobel Grundy,Don LePan,Roy Liuzza,Jerome J. Why should there only be literary scholarship about authors who actually lived and texts which exist? Where are the articles on Enoch Campion Linus Withold Redondo Panza Darshan Singh or Heidi B Morton? That none of these are real authors should be no impediment to interpreting their invented writings. In the first collection of its kind *The Anthology of Babel* publishes academic articles by scholars on authors books and movements that are completely invented. Blurring the lines between scholarship and creative writing *The Anthology of Babel* inaugurates a completely new literary genre perfectly attuned to the era we live in: a project evocative of Jorge Louis Borges Umberto Eco and Italo Calvino.
