The Blue Door Threshold Series:

The Blue Door Christa J. Kinde, 2012-11-06 ZonderKidz launches an exciting supernatural series for kids 11 and up. The Blue Door, the first book in The Threshold Series, introduces Prissie Pomeroy, a teen who discovers she can see what others cannot. Angels all around. Even more startling is the surprising secret she uncovers about people she thought she knew. As she wrestles with this unexpected ability, she must come to grips with the spiritual battles surrounding her. Especially when she learns she received this gift because God has a unique role for her in his bigger plan. But if she's to fulfill it, she'll need faith like never before. This exciting debut by author Christa Kinde draws on the rapidly growing interest in angel stories, an emerging trend in teen and preteen supernatural novels. Boys and girls alike will appreciate her gifted storytelling that captures their imagination with things beyond human sight. And parents will appreciate the family-friendly tone and godly messages maintained throughout this intriguing tale of adventure and spiritual warfare. *Angels: A 90-Day Devotional*

about God's Messengers Christa J. Kinde, 2015-10-06 Guardian angels. Divine messengers. Fiery spirits. Winged cherubim. The realm where these beings live is invisible to us. Most of the time, so are the angels themselves. So how do we know they're real? How can we be sure they're there? And what do we really know about them? *Angels: A 90-Day Devotional about God's Messengers* explores over one hundred Bible passages in which angels make an appearance. In addition, there are Q and A's, myths, busters, hymns, Bible story retellings, pop culture references, and trivia that help you sort fact from fiction. So spend the next ninety days really exploring the world of angels and learn more about what is taking place all around you. *The*

Garden Gate Christa J. Kinde, 2014-01-28 The Pomeroy's pull together in the aftermath of the storm that shook West Edinton, and Prissie's faith to its very foundations. Letting go proves difficult, and holding on takes all of her courage. With the encouragement of a brother who's in on her secret, Prissie finds her feet. With the help of the bane who's now a brother, she takes a stand. As spring comes to the orchard, a cryptic remark from Abner hints at West Edinton's long-kept secret. A beloved aunt returns from overseas. A faded angel takes up residence atop the Pomeroy's refrigerator. A treasured friend must say goodbye. While ranks of the Faithful rally to defend what's most precious, Prissie discovers that angels aren't the only ones who are sent. *The Broken Window* Christa J. Kinde, 2013-08-22 Jedrick can't say for sure if Prissie met the members of his

Flight because she was in danger or if she's in danger because she knows them. Either way, she's being singled out by a cunning foe. While Prissie throws herself into the hustle and bustle of the holiday season, Koji takes his promise seriously and stays close by her side. Prissie can't wait to share her Christmas traditions with him. Including Ransom and Marcus in the festivities is harder to take. A new enemy turns out to be an old friend. A demonic horde boils up from the Deep. A light is sent into the darkness. Prissie's about to discover that some gifts are greater than others, and some triumphs come at great price.

The Blue Door Charlotte Velez, 2024-12-04 A chilling wind whispers secrets at Seabrook Manor a grand Victorian perched on the rugged Maine coast Elara Hayes feels it too a creeping unease beneath the veneer of her perfect life Her architect husband Elias dismisses it as stress but Elara suspects the source is far more sinister a vibrant blue door in the basement pulsing with an unsettling energy The discovery of an old photograph a girl who is Elara's uncanny double her eyes wide with a terror that transcends time ignites an obsession Cryptic notes appear as if from thin air and her children speak of unseen playmates their drawings filled with swirling vortexes of blue and shadowy figures lurking in doorways Elias increasingly distant dismisses Elara's fears Desperate she turns to Imogen Quinn a local historian whose knowledge of the region's hidden past runs deep Imogen unearths a history far darker than Elara could have imagined generations of unexplained disappearances hushed up deaths and a dark pact made with unseen forces all tied to the Hayes family Some doors Imogen warns are best left unopened But Elara driven by the growing dread that permeates her life finds an antique key and descends into the basement the blue door beckoning her into the unknown The room beyond is not empty A chilling tableau awaits a testament to a ritualistic sacrifice echoing across decades And as Elara uncovers a bloodstained journal a terrifying truth emerges she and her children are not just witnesses to this dark legacy but integral players Her idyllic life unravels revealing a web of meticulously crafted lies The man she loves the father of her children is the orchestrator of her manufactured existence the keeper of the family's terrible secret He chose her molded her groomed her for the final terrifying act of a generations old curse With the solstice approaching the time of the final sacrifice Elara must fight for survival It's not just about uncovering the truth it's about escaping the blue door's grasp and the unseen forces demanding their due But her greatest challenge lies in confronting the chilling realization that her entire life her very identity has been a lie designed to fulfill a terrifying destiny Can she break free from the past and protect her children from a fate she never knew she was meant to inherit
