continue to appear in the English speaking world and his literary reputation continues to be rewritten through these successive re translations this book explores the reasons for this constant desire to rewrite Lorca since the time of his murder right into the 21st century From his representation as the quintessential Spanish Republican martyr to his adoption through translation by the Beat Generation to his elevation to iconic status within the Queer Studies movement this volume analyzes the reasons for this evolution and examines the current direction into which this canonical author is heading in the English speaking world      **Catalogues- American Art Association, Anderson Galleries, Inc** American Art Association, Anderson Galleries (Firm),1924
