The Bangkok Asset Sonchai Jitpleecheep English Edition:

The Bangkok Asset John Burdett, 2015 In his latest case Sonchai is paired with young female inspector Krom Like him she is an outsider on the police force but she is socially savvy and a technological prodigy In the midst of a typhoon they witness a deadly demonstration of super human strength from a man who is seemingly controlled by a CIA operative Could the Americans really have figured out a way to create some sort of super soldier who is both physically and psychologically enhanced Are they testing it on him on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye The case takes Sonchai to a hidden Cambodian jungle compound for ageing American vets where he discovers exactly how far a government will go to protect its very worst secrets both past and present

The Bangkok Asset John Burdett, 2015-08-04 Sonchai Jitpleecheep the brash and beguiling Royal Thai Police Force detective who has been our guide through John Burdett's five previous acclaimed Bangkok novels is back The former monk and devout Buddhist forever battling to protect his karma from the assaults of morally compromising cases is now faced with the most horrifying technological innovation to make its way to the streets of Bangkok and a conspiracy of almost unfathomable reach With Sonchai on this case is the young female inspector Krom Like Sonchai she is an outsider on the police force but unlike him she is socially savvy and a technological prodigy When they are called to a demonstration in the midst of a typhoon of the deadly superhuman strength of an American man who is seemingly controlled by a CIA operative they have no idea what they are actually witnessing or why Their reliably obtuse and unequivocally crooked boss Colonel Vikorn explains some of it but the most telling questions remain unanswered Could the Americans have figured out a way to create a physically and psychologically enhanced supersoldier Are they testing him or it on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye Searching for the answers to these questions Sonchai and Krom find themselves in a remote Cambodian jungle compound for aging American ex soldiers where they will discover just how far a government will go to protect its worst secrets both past and present But the case will also have much more personal repercussions for Sonchai shaking his world to its very foundation and perhaps finally forcing him to confront his long lost American father

A Personal History of Thirst John Burdett, 2016-05-10 From former British barrister John Burdett comes a psychosexual novel in the tradition of *Damage* and *Presumed Innocent* At the heart of *A Personal History of Thirst* is an ill fated love triangle where all hunger for something and are willing to risk everything to get it blurring the boundaries between right and wrong and love and hate to do so Thirst tells a gripping tale of murder revenge infidelity ambition and deception that keeps shocking until the stunning courtroom climax Ambitious London lawyer James Knight a prosperous solicitor has denied his lower class background and carefully molded his public image in order to climb the social and professional ladder of the British legal system He will soon take silk become a Queen's counsel barrister the highest rank a lawyer can obtain More than a decade earlier however James had lived on the fringe of acceptable society and rigid British

ethics during his years at university experimenting with sex and drugs in a passionate love affair with a stunning and brilliant American named Daisy Smith James's life takes an unexpected turn early in his career when he meets a client an accused thief named Oliver Thirst for a drink and a chat in a pub Although they could not be more different James is drawn to Thirst's high intelligence and wit Soon their illicit friendship develops into a dark and erotic ménage trois with Daisy at the center Now eleven years later one is dead and two are suspected of murder The murder investigation at the center of this impossible to put down novel uncovers the bizarre love story between the barrister the American and the thief And in the end A Personal History of Thirst answers the question What happens when genuine love becomes mixed with perverse obsession
