O'Neil, 2001-11-22 The First Amendment and Civil Liability Robert M O Neil A well known First Amendment advocate explains the new threats to free expression posed by damage suits This book explores a highly contentious set of issues involving freedom of speech and press Until very recently publishers and producers have assumed that with a few exceptions like libel freedom of expression was absolute and safe from civil liability in the form of damage awards In the late 1990s these complacent assumptions were sharply challenged The case of the Hit Man Manual signaled the shift After a hired assassin had been convicted of a brutal murder in a Washington D C suburb it turned out he had used a book that contained graphic detailed instructions on how to carry out an execution When the family of the victims sued the publisher for wrongful death a federal appeals court ruled that the book was not protected speech since its apparent purpose was to facilitate murder The publisher was thus for the first time potentially liable for criminal acts committed by a reader of one of its books Later cases especially a suit against Natural Born Killers producer Oliver Stone have invoked this ruling in seeking to impose liability on those who create and distribute material that causes others to inflict injury or death Noted First Amendment scholar Robert M O Neil looks at seven areas where free expression is now at risk of incurring civil liability libel and slander including a separate analysis of libel on the Internet privacy paparazzi and others who intrude defective or dangerous products incitement the claim of a link between speech and criminal acts as in the Natural Born Killers case advertising news gathering for example the Food Lion ABC Primetime Live case and threats and incitement on the Internet as in the anti abortion Nuremberg website case O Neil s clear exposition and analysis illuminate the issues for a broad range of readers concerned about a host of new threats to and the limits of free expression      **Living at the Movies** Jim Carroll, 1981-09-24 From the Author of *The Basketball Diaries* Originally released in 1973 *Living at the Movies* was the first aboveground

publication of the work of Jim Carroll a singer songwriter Newsweek called contender for the title of rock's new poet laureate In these poems all written before the age of twenty two Carroll shows an uncanny virtuosity His power and poisoned purity of vision are reminiscent of Arthur Rimbaud and like the strongest poets of the New York School Carroll transforms the everyday details of city life into poetry In language at once delicate hallucinatory and menacing his major themes love friendship the exquisite pains and pleasures of drugs and above all the ever present city emerge in an atmosphere where dream and reality mingle on equal terms It is an astonishing debut by an important American writer and artist Jim Carroll has the sure confidence of a true artist He is steeped in his craft He has worked as only a man of inspiration is capable of working His beginning is a triumph Gerard Malanga Poetry **The Basketball Diaries** Bryan Goluboff, Jim Carroll, 1993

**Love to Hate** Jody Roy, 2002-08-27 Why is the simple impulsive question we ask when confronted by horrible acts of hatred and violence Why do students shoot fellow students or employees their coworkers Why do mothers drown their children or husbands stalk and kill their wives Love to Hate challenges us to turn this question upon ourselves at a deeper level Why as a culture are we so fascinated by these acts Why do we bestow celebrity on the perpetrators while allowing the victims to fade into a second death of obscurity Are we as Pope John Paul II famously accused a culture of death And if so how can we break free of this unacknowledged aspect of the cycle of violence Unlike those who point solely to media imagery splintered families or lax gun control laws in search of the roots of America's endemic violence Jody M Roy suggests that we all must be held responsible She argues that we reveal our love affair with hatred and violence in the ways we think and speak in our daily lives and in our popular culture The very words we use function as building blocks of callousness and contempt betraying our immersion in subtexts of violence and hatred These subtexts are further revealed in our complex attitudes toward street gangs school shooters serial killers and hate groups and the paroxysms of violence they unleash As spectators driven by our impulse to watch we become an integral part of the equation of violence In the book's final section Freeing Ourselves of Our Obsession with Hatred and Violence Roy offers practical steps we can take as parents consumers and voters to free ourselves from linguistic and cultural complicity and to help create in America a culture of life
