Straight to the Heart of Peter, John and Jude Phil Moore,2016-05-20 In today s world where Christian believers are facing increased levels of persecution we need to understand why Peter calls the Gospel the living hope that overcomes In a world where false teaching is often accepted and encouraged we need to understand why Jude felt compelled to write and urge you to contend for the faith that was once for all entrusted to God s holy people In today s world where the commentators seem to agree that the Church will soon succumb to its enemies we need to understand what made John so sure that the Church would overcome them because the one who is in you is greater than the one who is in the world These letters could not be more relevant to our generation Their message could not be more urgent Allow them to show us how the Church can survive and thrive in our day The Gospel always triumphs Straight to the Heart of Peter John and Jude is one of a series of devotional commentaries which allows people to get to grips with each book of the Bible one bite at a time Each book contains 60 punchy and relevant chapters crammed with fascinating and accessible scholarship

Hours of Thought. Second edition, with corrections and ... additions William MACCOMBIE (of Aberdeen.),1839 *The Bible in the World* ,1906 *Straight to the Heart of 1 Thessalonians to Titus* Phil

Moore,2014-05-15 The five letters from 1 Thessalonians to Titus form a discipleship training school for anyone who wants God to transform their life Paul was forced to flee the city of Thessalonica so quickly the he wrote 1 Thessalonians as the first lesson in his discipleship training school teaching us how to be true converts He was unable to return so he wrote 2 Thessalonians as a second lesson which teaches us how to be true warriors The last three letters were to individual graduates Titus lays out the syllabus which we need in order to be truly fruitful 1 Timothy explains how his young graduate can help the Ephesians to become truly mature in their faith and 2 Timothy acts as Paul s final will and testament in which he assures his converts that they are truly ready to continue the work after his death The Straight to the Heart of series of

Thompson,2016-02-22 In *History Archaeology and the Bible Forty Years after Historicity* Hjelm and Thompson argue that a crisis broke in the 1970s when several new studies of biblical history and archaeology were published questioning the historical critical method of biblical scholarship The crisis formed the discourse of the Copenhagen school's challenge of standing positions which together with new achievements in archaeological research demand that the regional

history of ancient Israel Judaea and Palestine be reconsidered in all its detail This volume examines the major changes that have taken place within the field of Old Testament studies since the ground breaking works of Thomas Thompson and John van Seters in 1974 and 1975 both republished in 2014 The book is divided in three sections changing perspectives in biblical studies history and cult and ideology and history presenting new articles from some of the field s best scholars with comprehensive discussion of historical archaeological anthropological cultural and literary approaches to the Hebrew Bible and Palestine s history The essays question How does biblical history relate to the archaeological history of Israel and Palestine and Can we view the history of the region independently of a biblical perspective by looking at the problem from alternative angles and questioning long held interpretations Unafraid to break new ground History Archaeology and the Bible Forty Years after Historicity is a vital resource to students in the field of Biblical and East Mediterranean Studies and anyone with an interest in the archaeology history and religious development in Palestine and the ancient Near East **The Perfect World** Ella M.
