The Club:

The Club Christy O'Connor, 2010-11-05 In 1999 the hurlers of St Joseph s Doora Barefield won the All Ireland club championship That winter they became only the second club in history to win successive Munster club titles and the following March they became the only Munster club to reach successive All Ireland club finals Ten years on St Joseph s is in a totally different place well down the pecking order not just nationally but in County Clare the senior team is still spearheaded by many members of the 1999 All Ireland winning team who are raging at the dying of the light At the beginning of the 2009 season the team club and parish were deeply wounded by two family tragedies One of those tragedies the sudden death of one member of the 1999 team cut deep into the soul of the senior team And that was not the last tragedy to strike the club As part of the healing process the senior team made a pact to honour the memory of those lost by defying the odds and becoming county champions once again A campaign fuelled by emotion and pain began promisingly but slowly began to unravel into one of the stormiest and controversial in the club s history The story of St Joseph s Doora Barefield is unique but it is also a story that anyone connected with one of the 1 700 other GAA clubs will relate to From player infighting to player management stand offs team bonding and on pitch battles *The Club* is a chronicle of the 2009 season told with unflinching honesty by Christy O Connor who covers GAA for the Sunday Times and who has been the St Joseph s senior team goalkeeper for 20 years This is a story like no other a fly on the wall tale of the effort agony and struggles that define the journey undertaken every season by every club side This is grass roots GAA at its purest and rawest a great story brilliantly told

The Club of Clubs Charles Martinez, 2011-11-14 The latest in a series of unsolved homicides in South El Paso in 1953 leads Detective Vincent Quiones to and beyond a shadowy legend of gold and treachery during the Mexican Revolution of 1910 The strange facets of the case become more troubling for Detective Quiones as his suspicions grow of a secret relationship between his former lover and a fellow detective and the deeply disturbing possibility of their involvement in the latest murder Detective Quiones lonely pursuit of the truth will take him down the dark backstreets and alleys of the city where the answers hit hard and come at a price much greater than the legendary gold **The Club-book** Andrew

she conceived and knew from the moment she held her in her arms that she was the least capable mother in the world to give her a decent upbringing A private hunting club near the city where she grew up seems to offer for a high price and only to the very wealthy all kinds of luxuries and excesses that society would scorn if they were exposed Yet the local police seem to turn a blind eye Edith cannot afford that luxury The Club-book: Introductory ,1831 **Stealing the Club from**

club performance and then its social and political aspects as he places the club in five major contexts as a group with a self consciously dramatic deportment as a literary guild that regulated themes and rhetorical forms as a media station in an international knowledge network as an institution that defined an ideal of sociability in relation to the Chesapeake household and as a mock state within which members wielded authority The club says Somerville provided a semi private sphere of interaction that was distinct from members daily social order Through the club members tried to understand negotiate and mitigate the tensions of their lives arising from contradictions between brotherhood and empire autonomy and sociability the provincial and the metropolitan the public and the private and the solemn and the frivolous To appreciate the extent to which members made sense of their world through the club says Somerville one must attend not only to the various modes of written oral and musical expression members employed but also to the pageantry and theatrics the self mockery and role playing that marked their activities and even to club regalia and its seating arrangements Drawing on a wide range of period resources The Tuesday Club of Annapolis will diversify our approaches to the literature and culture of the colonies and further reveal the limits of nationalist and regionalist outlooks to their study *Catalogue of the Works Printed for the Maitland Club* Maitland Club, Glasgow, 1836
